You feel overworked and understaffed, with a budget smaller than your vision. Sometimes your ministry can feel like it has a revolving door, simultaneously bringing in new volunteers as current ones leave. The cycle of volunteer recruitment and turnover can be overwhelming, leading to frustration and distracting from the mission. In The Volunteer Project, we will introduce you to 4 Strategies that, when applied, will launch your church or nonprofit ministry into what we call a zero recruitment model of volunteerism. Formulated from the authors' research, combined 50+ years of experience in leading volunteer teams, and the feedback of hundreds of volunteers, these 4 Strategies are designed to provide individuals with such satisfying volunteer experiences that they are motivated to continue volunteering, and even invite their friends to join them. Packed with comprehensive research, an online assessment tool for measuring volunteer satisfaction, and real-life stories, The Volunteer Project is designed to help you stop recruiting and start retaining.
