Acaai Aaaai Certification Board Review Course 2014

Board Eligibility. Trainees must achieve ABAI Board certification within five years after successfully completing an ACGME-approved fellowship training program in Allergy and Immunology, which typically takes 2-3 years. If the trainee does not accomplish this certification, they will lose their status as Board Eligible and they will be required to successfully complete, in its entirety, a re-entry pathway consisting of the following:

American Board of Allergy and Immunology: Verification of ...
