Dark Stars, edited by John F.D. Taff, is a tribute to horror ' s longstanding short fiction legacy, featuring 12 terrifying original stories from today's most noteworthy authors. Within these pages you ' ll find tales of dead men walking, an insidious secret summer fling, an island harboring unspeakable power, and a dark hallway that beckons. You ' ll encounter terrible monsters—both human and supernatural—and be forever changed. The stories in Dark Stars run the gamut from traditional to modern, from dark fantasy to neo-noir, from explorations of beloved horror tropes to the unknown—possibly unknowable—threats. It ' s all in here because it ' s all out there, now, in horror. Dark Stars features all-new stories from the following award-winning authors and up-and-coming voices: Chesya Burke, Ramsey Campbell, Gemma Files, Stephen Graham Jones, Alma Katsu, Caroline Kepnes, John Langan, Livia Llewellyn, Josh Malerman, Usman T. Malik, Priya Sharma, and John F.D. Taff. Created as an homage to the 1980 classic horror anthology Dark Forces, edited by Kirby McCauley, Dark Stars features an afterword from original contributor Ramsey Campbell—a poignant finale to this bone-chilling collection. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

DUSK DEFENDS THE LIGHT FROM THE DARK. SOMETIMES... Life is nothing if not constant change. And these changes force us to make terrifying choices that will lead us into either the light or the dark. Dusk is this tipping point, where things go well, or where they go very, very bad. Suspended in Dusk II continues the legacy of editor Simon Dewar's anthology series. Volume II includes the disturbing work of seventeen extremely diverse voices from the horror and speculative fiction genres. -- Teenage boys navigate the Dark Web where diabolical games of life and death await... -- A woman stalked by shadows gets answers she doesn't want to hear... -- Ghost hunters commune with malevolent spirits seeking vengeance on the living... -- A family confronts a Maori legend that's less myth and far more terrifying truth... -- A young man explores a love that continues to gnaw long after it's gone... -- A group of adults encounter childhood fears that will not die... -- And so much more. Suspended in Dusk II is introduced by Angela Slatyer and includes fiction from Ramsey Campbell, Stephen Graham Jones, Bracken MacLeod, Damien Angelica Walters, Alan Baxter, Paul Tremblay, Sarah Read, Christopher Golden, Nerine Dorman, Dan Rabarts, Gwendolyn Kiste, Benjamin Knox, Annie Neugebauer, J.C. Michael, Letitia Trent, Paul Michael Anderson and Karen Runge. Confront your change. But you must first survive dusk. Praise for Suspended in Dusk II: "Simon Dewar's second installment of the series really delivers. This collection has thrown together a multitude of quality writing that begs to be read. There is darkness in the margins of each page, smudges of black ink threatening to swallow the reader when they aren't expecting." — Brian Bogart, Kendall Reviews "Suspended in Dusk II grabs you by the throat from the very first story and does not let go. I honestly can't overstate how good this anthology was. There are some very heavy topics in the stories but...not a single one is played merely for shock value or cheap emotion." — Gracie Kat. Sci-Fi & Scary "I appreciated the large amount of diversity in this book; from the foreword it became clear that individuals of all shapes of life were given the chance to contribute, and I feel that's largely absent in anthologies these days." — Red Lace Reviews Proudly presented by Grey Matter Press, the home of multiple Bram Stoker Award-nominated volumes of horror. Grey Matter Press: Where Dark Thoughts Thrive

This is Guttered: Beautiful Horror Stories, an anthology of dark fiction that explores the beauty at the very heart of darkness.

A collection of the best American science fiction and fantasy stories from 2017.

HUMANITY IS TARNISHED. First he gave us Little Deaths: The Definitive Edition. Then he unleashed his unique brand of pain in The End in All Beginnings. Now Bram Stoker Award-nominated John F.D. Taff — modern horror's King of Pain — returns with Little Black Spots. Fifteen stories of dark horror fiction gathered together for the first time, exposing the delicate blemishes and sinister blots that tarnish the human condition. -- A man stumbles on a cult that glorifies spontaneous human combustion... -- A disgraced nature photographer applies his skills for a vile outcome... -- A darkened city parking structure becomes dangerously and malevolently alive... -- An innocent Halloween costume has a husband seeing his wife in a disturbing new light... -- A ruined man sees far too much of himself in his broken family... -- A young boy finds a mysterious bottle of liquid containing a deadly secret... -- And so much more. Little Black Spots is a beacon shining its light into some of life's most shadowy corners, revealing the dark stains that spatter all mankind. Praise for the horror writing of John F.D. Taff: "Of the current breed of authors riding the wave of digital liberation, John Taff is a standout talent. Literary, affecting, chilling, and indicative of that old-school mentality meets new-school daring." — Kealan Patrick Burke, Bram Stoker Award®-winning author of The Turtle Boy, Kin and Jack & Jill "John F. D. Taff has rapidly become one of my favorite writers in the horror genre. His horror is grounded in our day-to-day lives, in our families, our work, our most private thoughts. His stories vibrate with emotion and life and his prose is cathartic, deeply satisfying, like popping the bubbles in bubble wrap." — Ray Garton, Grand Master of Horror and author of Live Girls and Ravenous Proudly presented by Grey Matter Press, the multiple Bram Stoker Award-nominated independent publisher.
