Check the facts, Test your Knowledge, Raise your grade * GCSE Bitesize Revision Check and Test Business Studies tells you exactly what you must know to raise your grade and tackle your GCSE exam with confidence, it: * is divided into the 100 essential things you need to know, so your revision is quick and simple * provides a quick test for each bite-sized chunk so you know you know it: * Use the book either on its own or alongside the GCSE Bitesize website and TV programmes. * Check and Test is an ideal complement to the core Bitesize books with its close match to the website approach of bite-sized chunks of information, each with short follow up questions to test knowledge, boost confidence.....and raise grades * Business Studies covers business basics, organisation and aims and marketing.

Provides the complete revision experience for GCSE Business Studies by taking students through a cumulative 3 stage process: building knowledge, revising knowledge and applying that knowledge to succeed in exams. All the key facts are covered to consolidate learning and fill any gaps. There are specially designed sections to check progress and increase confidence from beginning to end of the revision process. There are lots of opportunities to practise exam technique so students can gain the confidence to improve their exam performance and maximise their grades.

This textbook offers students a new way to revise for their GCSE exams. A book, CD-ROM and tailored links to the revision website combine to create a complete, interactive and personal revision experience that students will enjoy using.

No further information has been provided for this title.

This is one in a series of Bitesize GCSE revision booklets, designed to tackle the essential skills, knowledge and understanding that students find most difficult in the subject of mathematics.

Written in association with the EBFA, this authoritative text provides a comprehensive and insightful study of current curriculum development and classroom practice with business education. Up-to-date, practical and covering the very latest issues, it presents: * Advice on planning courses and managing the curriculum * The latest developments in 14-19 * Guidance on the emerging work-related curriculum * A focus on key topics such as enterprise education, e-learning and citizenship * A teacher-reviewed annotated resource guide of text-based and web-based resources.

Tells a story about the strange relationship of two migrant workers who are able to realize their dreams of an easy life until one of them succumbs to his weakness for soft, helpless creatures and strangles a farmer's wife.

This book aims to guide readers to learn the necessary enterprise skills to create and run their own businesses. It provides not only a manual for business skills? but also a step-by-step guide that will enable readers to successfully master, develop and run an enterprise. This one-stop manual offers a simple explanation of all the essential enterprise skills and learning resources needed for a theoretical understanding of the topic, as well as practical tips for the budding entrepreneur. A reader will particularly learn:

- The conceptual framework of enterprise functions.
- Skills, concepts and functions necessary to understand the enterprise.
- Tools necessary for assessing yourself as an entrepreneur.
- Steps essential for creating an enterprise, including developing a viable business concept, product-market fit and business model.
- Steps significant for running and growing an enterprise successfully.
- Tools for assessing the ability of your enterprise to grow.
