Virus B-23 (Cities of the Red Night) Cities of the red night William S. Burroughs (circa 1982) Cities Of The Red Night

"Cities of the Red Night is the most complete and most devastatingly sardonic statement of William Burroughs's apocalyptic vision. Through his mordant satire of cultural aspirations, homosexual eroticism and political power, he focuses our gaze into the abyss.

Cities of the Red Night: Burroughs, William: 9780312278465 ...

Cities of the Red Night is a 1981 novel by American author William S. Burroughs. His first full-length novel since *The Wild Boys* (1971), it is part of his final trilogy of novels, known as *The Red Night Trilogy*, followed by *The Place of Dead Roads* (1983) and *The Western Lands* (1987).

Cities of the Red Night - Wikipedia

"Cities of the Red Night is the most complete and most devastatingly sardonic statement of William Burroughs's apocalyptic vision. Through his mordant satire of cultural aspirations, homosexual eroticism and political power, he focuses our gaze into the abyss.

Cities of the Red Night: A Novel by William S. Burroughs ...

Cities of the Red Night follows a dual narrative, slipping fluidly between the early 18th century exploits of a libertarian pirate crew, led by gunsmith Noah Blake, and the late 20th century "private asshole" (Clem Snide) hired to find the decapitated remains of one Jerry Green -- victim apparent of a bizarre hanging/sex cult.

Cities of the Red Night by William S. Burroughs

"Cities of the Red Night is the most complete and most devastatingly sardonic statement of William Burroughs's apocalyptic vision. Through his mordant satire of cultural aspirations, homosexual eroticism and political power, he focuses our gaze into the abyss.

Cities of the Red Night | William S. Burroughs | Macmillan

Another pandemic-inspired reread was William S. Burroughs's *Cities of the Red Night*, which I hadn't picked up since high school and read this time for the novelty of the viral plague. Hindsight says that my giddy anticipation at rereading this "prescient" book was unnecessary, but it seemed like a good enough excuse to read Burroughs.

The Millions: Cities of the Red Night by William Burroughs

Perhaps Burroughs' finest novel after *Naked Lunch*, *Cities of the Red Night* intercuts a detective novel plot with scenes in the ill-fated pirate colony of Captain Mission on Madagascar with acerbic wit and visionary imagery. The proof bears on its cover and title page a darkly ironic subtitle, "A Boy's Book", not present in the published book.

Cities of the Red Night Quotes by William S. Burroughs

Cities of the Red Night is the first book in his final trilogy of novels (the Red Night trilogy), and it's followed by *The Place of Dead Roads* and *The Western Lands*.

Cities of the Red Night (Penguin Modern Classics): Amazon ...

"*Cities of the Red Night*" is perpetually climaxing. Whereas, for other authors, it might prove a diverting or comical (unwritten) pastime to imagine what it might be like if all of their characters--from every time and space--were to meet over drinks, Burroughs can't seem to resist transporting his entire cast into hallucinatory, ritualistic ...

Cities of the Red Night by William S. Burroughs | LibraryThing

CITIES OF THE RED NIGHT by William S. Burroughs ? RELEASE DATE: May 6, 2001 As long as the Beat Generation continues to engage self-styled hipsters, counter-culturalists, and transgressors, the work of the late Burroughs (1914–97) will continue to waste precious wood pulp.

CITIES OF THE RED NIGHT | Kirkus Reviews

One narrative revolves around the clairvoyant detective Clem Snide and his search for the missing person named Jerry Green, another

consists of an adventurer named Noah Blake and his journey enlisting with a group of pirates who seek to unite the world under a code of law established by the disputed historical figure Captain Mission called The Articles, and the final narrative follows an ancient and futuristic group of cities (the titular 'cities' of the red night) in what is now the Gobi ...

~~Amazon.com: Customer reviews: Cities of the Red Night~~

Burroughs' "Cities of the Red Night" is a feverish glimpse into alternate histories, the end of the world, new forms of government, viral mutations, bizarre slants on ethnicity and the to-be-expected preoccupation with hard drugs and wild sex. Prose style gyrates from first-person hard-boiled sleuth to all-too-believable boardroom monotone.

~~Cities of the Red Night: A Novel: Burroughs, William S...~~

This first volume of the final #Burroughs trilogy, "Red Night" has captured me firmly in its grasp. The weaving of several simultaneous threads which the reader must unravel in "Cities of the Red Night," illustrates and embodies the instructions given by the author on constructing a virus in "Electronic Revolution."

~~Cities of the Red Night by William S. Burroughs ...~~

The Cities of the Red Night were six in number: Tamaghis, Ba'dan, Yass-Waddah, Waghdas, Naufana, and Ghadis. These cities were located in an area roughly corresponding to the Gobi Desert, a hundred thousand years ago. At that time the desert was dotted with large oases and traversed by a river which emptied into the Caspian Sea.

~~Cities of the Red Night :: William S. Burroughs — The ...~~

The Cities of the Red Night is the first book in a trilogy by William S. Burroughs. Originally, I was going to do one review for the whole trilogy but that idea quickly fell aside as the vortex of Burroughs' creation sucked me in. 1. The book opens with a kick ass invocation.

~~Cities of the Red Night (a review)..... Queen Mob's ...~~

Cities of the Red Night (Holt, Rinehart & Winston, 332 pages) follows a dual narrative, slipping fluidly between the early 18th century exploits of a libertarian pirate crew, led by gunsmith Noah Blake, and the late 20th century "private asshole" (Clem Snide) hired to find the decapitated remains of one Jerry Green — victim apparent of a bizarre hanging/sex cult.

While young men wage war against an evil empire of zealous mutants, the population of this modern inferno is afflicted with the epidemic of a radioactive virus. An opium-infused apocalyptic vision from the legendary author of Naked Lunch is the first of the trilogy with The Places of the Dead Roads and his final novel, The Western Plains.

An opium addict is lost in the jungle; young men wage war against an empire of mutants; a handsome young pirate faces his execution; and the world's population is infected with a radioactive epidemic. These stories are woven together in a single tale of mayhem and chaos. In the first novel of the trilogy continued in The Place of Dead Roads and The Western Lands, William Burroughs sharply satirizes modern society in a poetic and shocking story of sex, drugs, disease and adventure.

Clem Snide, a private detective, has to solve a case of ritual murder. In the Gobi Desert 100,000 years ago, a red virus has erupted. And in the 18th century, gay pirates have set up their own republics in South America and are at war with the conquistadors. All three stories are merged at the end in a giant trans-time, trans-space battle.

A good old-fashion shoot-out in the American West of the frontier days serves as the springboard for this hyperkinetic adventure in which gunslingers, led by Kim Carson, fight for galactic freedom. The Place of Dead Roads is the second novel in the trilogy with Cities of the Red Night and The Western Lands.

A fascinating mix of autobiographical episodes and extraordinary Egyptian theology, Burroughs's final novel is poignant and melancholic. Blending war films and pornography, and referencing Kafka and Mailer, The Western Lands confirms his status as one of America's greatest writers. The final novel of the trilogy containing Cities of the Red Night and The Place of Dead Roads, this is a profound meditation on morality, loneliness, life and death.

Fifty years ago, Norman Mailer asserted, "William Burroughs is the only American novelist living today who may conceivably be possessed by genius." Few since have taken such literary risks, developed such individual political or spiritual ideas, or spanned such a wide range of media. Burroughs wrote novels, memoirs, technical manuals, and poetry. He painted, made collages, took thousands of photographs, produced hundreds of hours of experimental recordings, acted in movies, and recorded more CDs than most rock bands. Burroughs was the original cult figure of the Beat Movement, and with the publication of his novel Naked Lunch, which was originally banned for obscenity, he became a guru to the 60s youth counterculture. In CALL ME BURROUGHS, biographer and Beat historian Barry Miles presents the first full-length biography of Burroughs to be published in a quarter century—and the first one to chronicle the last decade of Burroughs's life and examine his long-term cultural legacy. Written with the full support of the Burroughs estate and drawing from countless interviews with figures like Allen Ginsberg, Lucien Carr, and Burroughs himself, CALL ME BURROUGHS is a rigorously researched biography that finally gets to the heart of its notoriously mercurial subject.

The Wild Boys is a futuristic tale of global warfare in which a guerrilla gang of boys dedicated to freedom battles the organized armies of repressive police states. Making full use of his inimitable humor, wild imagination, and style, Burroughs creates a world that is as terrifying as it is fascinating.

"Almost indecently readable . . . captures [Burroughs's] destructive energy, his ferocious pessimism, and the renegade brilliance of his style."—Vogue With a new preface as well as a final chapter on William S. Burroughs's last years, the acclaimed Literary Outlaw is the only existing full biography of an extraordinary figure. Anarchist, heroin addict, alcoholic, and brilliant writer, Burroughs was the patron saint of the Beats. His avant-garde masterpiece Naked Lunch shook up the literary world with its graphic descriptions of drug abuse and illicit sex—and resulted in a landmark Supreme Court ruling on obscenity. Burroughs continued to revolutionize literature with novels like The Soft Machine and to shock with the events in his life, such as the accidental shooting of his wife, which haunted him until his death. Ted Morgan captures

the man, his work, and his friends—Allen Ginsberg and Paul Bowles among them—in this riveting story of an iconoclast.

Killian knows all about vampires and aliens. They're not real. But when a handsome swimmer climbs into her storm-tossed boat an hour from her summer destination, the worlds of fantasy and reality suddenly collide... Cuttlelea Island has no mall, no social scene, and no action. But it does have a mysterious stone tower, ageless islanders, and a secret as astonishing as a mermaid's tale... Before the summer is through, Killian will find the truth of her family's past...and the role she is destined to play in a centuries-old curse.
