He'll do anything for his family... Donovan "Donny" Steel is on a partnership track with a major Denver law firm. He loves his city career and his luxurious downtown loft, and life is going just how he planned it...until his mother, the city attorney for his hometown of Snow Creek, Colorado, asks him to move back and work for her when her assistant retires. Mom asks? Donny goes. Because he'll do anything for the family who took him in twenty-five years ago. The fact that he can pick up where he left off with gorgeous Callie Pike is simply a fringe benefit. Caroline "Callie" Pike was looking forward to finally beginning law school at age twenty-six, but the western slope fire that destroyed most of her family's vineyards put that plan on hold. At least she has Donny Steel's return to look forward to. After she spent an evening with him at a recent party, he hasn't strayed far from her mind. When Donny and Callie meet again, sparks do more than fly. They shoot like rockets to the stars. But their chemistry can't protect them from the emerging mysteries regarding the Steel family's past...or the secret Callie is keeping as well.

His voice enthralls her. Her vibrancy awakens him. Ashley White can't wait to begin her internship at Steel Vineyards. As an oenology doctoral candidate, she knows all the theory but lacks practice. Working under renowned winemaker Ryan Steel—and his equally talented nephew, Dale—is an opportunity she can't refuse. Dale Steel is a loner. Despite his huge family full of uncles, aunts, and cousins, he's more at home in his vineyards, where he finds something that comes close to the tranquility he craves. He'll never find true peace, and he's accepted his fate...until his new intern shows up and turns the only world he knows upside down. Ashley awakens emotions in Dale that he never dreamed possible, and though he resents her intrusion into his life, he can't deny the sparks that blaze between them. Still, he must remain distant. To succumb to his growing feelings would provoke something else entirely—the darkness he keeps hidden even from himself.
