An electronic book, also known as an e-book or eBook, is a book publication made available in digital form, consisting of text, images, or both, readable on the flat-panel display of computers or other electronic devices. Although sometimes defined as "an electronic version of a printed book", some e-books exist without a printed equivalent.

What's an ebook? This should be straightforward to answer, you would think. At first glance, we could say that an ebook is a book read on an electronic device (computer screen, tablet, smartphone or e-reader). But this description is somewhat vague and wide, including many things that are not an ebook.
