even young children, if they themselves lack reasoning skills?

Rousseau's views about women arguably grew more complex with age. In "Confessions," which he wrote later in life, he credits several women with helping him gain entrance into the intellectual circles of society.

Rousseau's Thoughts on Women and Education

The Unmatched Importance of Female Education Increased

Literacy: Of the 163 million illiterate youth across the globe, nearly 63 percent are female.

Offering all children education will prop up literacy rates, pushing forward development in struggling regions.
