LAW 1 ...

Equity and trusts is a unique branch of English law based on a body of principles made by the Courts of Chancery, that focusses on bringing balance to the legal system, particularly the Common Law.

The law of trusts was constructed as part of "equity", a body of principles made by the Courts of Chancery, which sought to correct the strictness of the common law. The trust was an addition to the law of property , in the situation where one person held legal title to

Get Free Equity And Trusts

property, but the courts decided it was fair, just or "equitable" that this person be compelled to use it for the benefit of another.

History of equity and trusts - Wikipedia
