Apr 04, 2020 Tim Hughes rated it it was amazing. Forgotten Women - The Leaders is a truly inspirational book. It takes female leaders, the rebels, the warriors, the rulers, the activists and the reformers and tells a short story about each one. The story gives you the background and context, "warts and all".

who went undercover to spy for the French Resistance and became Nazi enemy no. 1 Amina of Zazzau, the formidable ancient Muslim warrior queen of Northern Nigeria Chapters including Rebels; Warriors; Rulers; Activists and Reformers shine a spotlight on the rebellious women who defied the odds, and the opposition, to change the world around them. *The number of Nobel-prize-winning women.

'For most of history, anonymous was a woman.' Virginia Woolf Everyone knows a forgotten woman. The ones we hold close to our hearts, the rebels we raise in conversation over a drink, the pioneering early feminists who have been overlooked for too long. Forgotten Women redresses the balance. Forgotten Women: The Leaders weaves together 48 (the number of Nobel-prize-winning women) unforgettable portraits of women who made huge yet unacknowledged contributions to history, the true pioneers and leaders who deserve to have had history books written about them, such as Grace O'Malley, the 16th century Irish pirate queen; Sylvia Rivera, who spearheaded the modern transgender movement; or Agent 355, the rebel spy who played a vital role in the American Revolution. With evocative illustrations from the first open international directory of female professional illustrators, womenwhodraw.com, and in collaboration with the New Historia, an academic initiative designed to document and promote the achievements of women in history, Broadly editor-in-chief Zing Tsjeng brings together the stories of the most remarkable female leaders from across the ages.

'To say this series is "empowering" doesn't do it justice. Buy a copy for your daughters, sisters, mums, aunts and nieces - just make sure you buy a copy for your sons, brothers, dads, uncles and nephews, too.' - Independent The women who shaped and were erased from our history. Forgotten Women is a new series of books that uncover the lost herstories of influential women who have refused over hundreds of years to accept the hand they've been dealt and, as a result, have formed, shaped and changed the course of our futures. From leaders and scientists to artists and writers, the fascinating stories of these women that time forgot are now celebrated, putting their achievements firmly back on the map. The Writers celebrates 48* unsung genius female writers from throughout history and across the world, including the Girl Stunt Reporters, who went undercover to write exposés on the ills of 1890s America; Aemilia Lanyer, the contemporary of Shakespeare whose polemical re-writing of The Bible's Passion Story is regarded as one of the earliest feminist works of literature; and Sarojini Naidu, the freedom fighter and 'Nightingale of India' whose poetry echoed her political desire for Indian independence. Including writers from across a wide spectrum of disciplines including poets, journalists, novelists, essayists and diarists, this is an alternative gynocentric history of literature that will surprise, empower, and leave you with a reading list a mile long. *The number of Nobel-prize-winning women.

your sons, brothers, dads, uncles and nephews, too.' - Independent The women who shaped and were erased from our history. Forgotten Women is a new series of books that uncover the lost herstories of influential women who have refused over hundreds of years to accept the hand they've been dealt and, as a result, have formed, shaped and changed the course of our futures. The Artists brings together the stories of 48* brilliant woman artists who made huge yet unacknowledged contributions to the history of art, including Camille Claudel, the extraordinarily talented sculptor who was always unfairly overshadowed by her lover, Rodin; Baroness Elsa von Freytag-Loringhoven, who has been claimed as the true originator of Marcel Duchamp's Fountain; and Ana Mendieta, the Cuban refugee who approached violence against women through her performance art before her own untimely death. With chapters ranging from Figurative to Photography, and Craft to Conceptual, this is an alternative guide to art history that demonstrates the broad range of artistic movements that included, and were often pioneered by, female artists who have been largely overlooked. *The number of Nobel-prize-winning women.

A lovingly written celebration of the earlier generation of "Rosie the Riveter" reveals the role of women in the war industry during World War I, describing the dramatic impact of the conflict on the lives of American women, including their role in promoting women's rights. (History)

Online Library Forgotten Women The Leaders

A powerful call to action for achieving equality in leadership. Women make up fewer than ten per cent of national leaders worldwide, and behind this eye-opening statistic lies a pattern of unequal access to power. Through conversations with some of the world's most powerful and interesting women--including Jacinda Ardern, Hillary Rodham Clinton, Christine Lagarde, Michelle Bachelet, and Theresa May--Women and Leadership explores gender bias and asks why there aren't more women in leadership roles.

The untold story of a trailblazing dynasty of royal women who ruled the Middle East and how they persevered through instability and seize greater power. In 1187 Saladin's armies besieged the holy city of Jerusalem. He had previously annihilated Jerusalem's army at the battle of Hattin, and behind the city's high walls a last-ditch defence was being led by an unlikely trio - including Sibylla, Queen of Jerusalem. They could not resist Saladin, but, if they were lucky, they could negotiate terms that would save the lives of the city's inhabitants. Queen Sibylla was the last of a line of formidable female rulers in the Crusader States of Outremer. Yet for all the many books written about the Crusades, one aspect is conspicuously absent: the stories of women. Queens and princesses tend to be presented as passive transmitters of land and royal blood. In reality, women ruled, conducted diplomatic negotiations, made military decisions, forged alliances, rebelled, and undertook architectural projects. Sibylla's grandmother Queen Melisende was the first queen to seize real political agency in Jerusalem and rule in

Online Library Forgotten Women The Leaders

her own right. She outmanoeuvred both her husband and son to seize real power in her kingdom, and was a force to be reckoned with in the politics of the medieval Middle East. The lives of her Armenian mother, her three sisters, and their daughters and granddaughters were no less intriguing. *Queens of Jerusalem* is a stunning debut by a rising historian and a rich revisionist history of Medieval Palestine.

Have you ever wondered why there aren't more stories about women in the Bible? *Forgotten Women of God*, by Diana Webb, pairs captivating accounts of faithful women from ancient texts with modern research to offer insightful glances into the lives of the women who were left out of the Bible. Explore the little-known details behind the captivating tales of Susanna, Judith, Aseneth, Hagar, Tamar, and others to gain a greater understanding of the powerful influence that these holy women have had on the history of mankind.

"Masterfully captures the largely forgotten saga of warrior queens through the ages . . . an epic filled with victory, defeat, and legendary women." —Patrick K. O'Donnell, bestselling author of *The Indispensables* History's killer queens come in all colors, ages, and leadership styles. Elizabeth Tudor and Golda Meir played the roles of high-stakes gamblers who studied maps with an unblinking, calculating eye. Angola's Queen Njinga was willing to shed (and occasionally drink) blood to establish a stable kingdom in an Africa ravaged by the slave trade. Caterina Sforza

Online Library Forgotten Women The Leaders

defended her Italian holdings with cannon and scimitar, and Indira Gandhi launched a war to solve a refugee crisis. From ancient Persia to modern-day Britain, the daunting thresholds these exceptional women had to cross—and the clever, sometimes violent ways in which they smashed obstacles in their paths—are evoked in vivid detail. The narrative sidles up to these war queens in the most dire, tumultuous moments of their reigns and examines the brilliant methods and maneuvers they each used to defend themselves and their people from enemy forces. Father-daughter duo Jonathan W. and Emily Anne Jordan extoll the extraordinary power and potential of women in history who walked through war's kiln and emerged from the other side—some burnished to greatness, others burned to cinders. All of them, legends. “Reminds us intelligently, entertainingly and powerfully that strong-willed women have always been the equal—and very often the superior—of their male counterparts, even in the field historically most jealously reserved for men: warfare.” —Andrew Roberts, New York Times–bestselling author “This book should be required reading for anyone who loves history.” —James M. Scott, Pulitzer Prize finalist

Mernissi recounts the extraordinary stories of fifteen queens and reflects on the implications for the ways in which politics is practiced in Islam today, a world in which women are largely excluded from the political domain.
