Apply the knowledge of The Secret to three key areas of your life with this 3-in-1 masterclass guide to attracting fulfilling relationships, the best health and more money from #1 bestselling author Rhonda Byrne. In THE SECRET TO LOVE, HEALTH AND MONEY, Rhonda Byrne presents many inspiring examples of real-life cases from people who have used The Secret to achieve personal happiness, wellbeing and

success. Subjects covered in Part I include the power of positive thoughts and feelings, gratitude in relationships, imagining the perfect partner, and the creative process for attracting new and better relationships. Part 2 features a series of focused and intensive lessons about topics including health and wellbeing, self-healing, overcoming chronic and incurable diseases, weight loss, the subconscious mind and the immune system and the placebo of positive thinking. Throughout the lessons, Rhonda explains in detail how the law of attraction applies specifically to health, as she offers vital tips and powerful processes such as visualization, affirmations, gratitude, and The Secret's famous creative process--ask, believe and receive. The Secret to Health Masterclass also features real-life stories of people who have used The Secret to overcome health crises such as tuberculosis, multiple sclerosis, epilepsy, cancer, autoimmune disease, chronic pain, depression and anxiety. Part 3 explains how the law of attraction applies specifically to wealth and your relationship with money. By applying the knowledge in The Secret, you can stop money from slipping through your fingers, and eliminate forever the perpetual state of "not having enough money." You will discover the power you have to bring money to you and to live a life of abundance, where you can be, do or have anything you want. Subjects covered by Rhonda include personal finance, eradicating a poverty mindset and adopting a wealth mindset, job hunting, career advancement, creating a successful business, and giving and sharing wealth. Rhonda also presents many inspirational real-life stories of people who have used The Secret to attract wealth, build a company, pay off debts, acquire a home and secure a high paying job. Using these powerful processes, you will experience first-hand the transformation that can happen across all areas of your life--in your relationships, health, finances, personal goals and dreams, and in your level of joy and happiness.

The long-awaited major work by beloved bestselling author Rhonda Byrne. Rhonda Byrne launched a global phenomenon with the publication of *The Secret* in 2006. She spent fourteen years searching until she uncovered the universal truth contained in these pages. But Rhonda's journey was far from over as something inside her urged her to seek more wisdom. She spent fourteen years searching until she uncovered the universal truth contained in these pages. *The Greatest Secret* is a quantum leap that will take the reader beyond the material world and into the spiritual realm, where all possibilities exist. The teachings in these pages offer accessible practices that can be put to use immediately and profound revelations that will dissolve fears and uncertainty, anxiety and pain. Filled with revelatory words of spiritual teachers from around the world past and present, *The Greatest Secret* is a profound master work that offers readers everywhere a direct path to end suffering and to live a life of deep joy. "The Secret showed you how to create anything you want to be, do, or have. Nothing has changed - it is as true today as it ever was. This book reveals the greatest discovery a human being can ever make, and shows you the way out of negativity, problems, and what you don't want, to a life of permanent happiness and bliss." - From *The Greatest Secret*

"An exuberant tour through the world of scientists behaving badly" (The New York Times). They may have a public image as cool, logical, levelheaded types. But in reality, scientists will do pretty much anything—take drugs, follow mystical visions, lie, and even cheat—to make a discovery. In *Free Radicals*, physicist and journalist Michael Brooks seamlessly weaves together true stories of the "mad, bad and dangerous" men and women who have revolutionized the scientific world, and offers a fast-paced and thrilling exploration of the real process behind discovery (The Times, London). Brooks also traces the cover-up back to its source: the scientific establishment's reaction to the public fear of science after World War II. He argues that it is high time for science to come clean about just how bold and daring scientists really are. "Not all scientists are nerds. In *Free Radicals*, physicist Michael Brooks tries to dispel the notion that scientists are stuffy, pen-protector-polishing bookworms." —The Washington Post "Insightful . . . A page-turning, unvarnished look at the all-too-human side of science." —Kirkus Reviews
