~~From Networks to Netflix: A Guide to Changing Channels ...~~

"From Networks to Netflix is essential reading for anyone interested in the future of television. More than carefully researched channel biographies, the essays in this book together constitute an original retheorization of television's organizational forms – and a reflection on the aggregation, branding, and formatting of media more generally." -Ramon Lobato, RMIT University, Australia ...

~~Amazon.com: From Networks to Netflix: A Guide to Changing ...~~

"From Networks to Netflix challenges readers to rethink how we approach legacy channels and new platforms. Johnson has assembled a formidable array of scholars, who, in pleasurable prose, chronicle and analyze industrial strategies, curatorial practices, distribution, and viewership habits. Covering 'old,' new, and emergent channels, this collection deftly oscillates between networks and ...
