Based on the principle of culmulative fatigue, the Hansons Half Marathon Method provides three plans (Beginner, Advanced, and Just Finish) that all include six days of running per week with one day of complete rest. The Beginner and Advanced plans also include three weekly workouts: speed/strength intervals, tempo runs, and long runs, all sandwiched by easy days (the Just Finish plan only includes long runs).

The Hansons approach to pacing and nutrition keeps runners from hitting the wall before hitting the finish line. Hansons Half-Marathon Method lays out the smartest half-marathon training plan available from one of the most accomplished running groups in the nation. Using this innovative approach, runners will run their fastest half-marathon

### Hansons Half-Marathon Method: Run Your Best Half-Marathon ...

These are the key concepts of the Hanson Method for half marathon and marathon training: High mileage; 6 days of running; Speed emphasis early in the training plan; No planned cross training; Cumulative fatigue - "The development of fatigue through the long term effects of training which results in a profound increase in running strength"

### Hanson Marathon Method Overview and Real Experiences ...

To this end, the Hansons Marathon Method is a high-mileage training plan, but no single run is longer than 16 miles. The reasoning for this is based on the principle of cumulative fatigue. As the Hansons like to say, the plan teaches you how to run the last 16 miles of the marathon (when most runners fall apart). The plan also includes what the Hansons call SOS workouts- Something Of Substance.

### Hansons Marathon Method: Run Your Fastest Marathon the ...

From the cancellation to the 14 th February was 14 weeks so I soon set to looking for a training plan. Having completed most of Hansons Marathon Method back in spring I'd already bought a paper copy of Hansons Half Marathon Method in preparation for when the time was right!. As an 18 week plan, it was perfect timing to get started and push myself beyond the base-building that it feels like I ...

### Another race cancellation. What next? - Running Abby

The Hansons Marathon Method calls for six days of running; three of those days are easy runs, and three are Something of Substance (SOS) runs: speed/strength, tempo (goal pace), and long. On the weeks when you run only medium-long runs, you actually do two medium-long runs (10 miles) on back-to-back days.

### Marathon Monday: Hansons Marathon Method + Weekly Workouts

Tuesdays are speed sessions in the first half of the training, morphing to strength workouts as the race nears. The difference is that the speed workouts total three miles of fast work at between ...

Half Marathon: 12-week plans created by Stryd or 18-week plans inspired by Hansons. Half marathon training Intensities (converted to Power) 20-32miles per week (10 weeks) 30-42miles per week (12 weeks)

### Do you have power based training plans available? - Stryd

Ran my 10th marathon in New York last month having followed Hansons 18 week advanced plan for the first time. It got me a 3 minute pb (3:39:20). My previous best was 3:42:30 on a pancake flat Valencia so it was probably worth more than 3 minutes as NY is tougher in comparison.

### Hanson Marathon Training - Runner's World UK Forum
