It just ended. Also, it was really weird to me because these people seemed so god damn naive. For example, who the fuck gives all of their personal information over the phone to complete stranger? Heck, you are lucky if you get my first name. Or if I'm speaking English on the phone.

Hung Up by Kristen Tracy March 2014, Simon Pulse 282 pages “Once upon a time, last semester, I took a course called International Foods. I did this because I liked the idea of eating at school, and also learning in a room that had ovens. They were electric ovens, so that was a tad disappointing. I like flames. Anyway, while taking this course, I fell madly in love with a girl named Valley ...

Can you fall in love with a voice? This witty romance, told entirely through phone calls, chronicles the tale of a wrong number gone right. It all started with a wrong number. The voicemails Lucy left on James’s phone were meant for someone else—someone who used to have James’s digits. But then when James finally answers and the two start to talk, a unique bond forms between the two teens. Gradually Lucy and James begin to understand each other on a deeper level than anyone else in their lives. But when James wants to meet in person, Lucy is strangely resistant. And when her secret is revealed, he’ll understand why...

Sixth-graders Perry and Venice, photographers for their middle-school yearbook, are frustrated to learn that only pictures of popular students are welcome, but when Venice gets involved with a boy Perry doesn't like, Perry puts their friendship at risk by siding with Anya, the editor-in-chief.

When a wrong number blossoms into a phone friendship for Lucy and James, two Vermont high school students, James wants to meet in person, but Lucy is strangely resistant. Told in the form of telephone calls and voice mail messages.

After Sarah Trestle botches a simple shoplifting attempt, she is worried that she will get kicked out of her clique of friends, which is made up of three other girls named Sarah whose main summer activities are volunteer work and the occasional petty crime.

As if dealing with her best friend's plot to destroy a poodle and considering losing her virginity to her long-term boyfriend wasn't enough, now Tess Whistle has to find her bearings in a new community when her family moves to a survivalist camp in Utah, in a quirky coming-of-age tale. Original.

Eleven-year-old Bessica's plans to begin North Teton Middle School as a new person begin to fall apart even before school begins.

At sixteen, Molly is a girl who's just started living—at last she's popular. But for a girl who has everything, Molly feels like she never has enough. So she steals. At least there's plenty of time to fix this last little problem. Except Fate has other plans for Molly. Like death. Suddenly dead and in denial, how can Molly move on when life was just looking up? Can she abandon her earthly ties or will she jeopardize her soul to stay close to her loved ones? From critically acclaimed author Kristen Tracy, Death of a Kleptomaniac is the heartfelt story of one girl's search for redemption, a family's encounter with grief, and love's power to rise above even the most final of boundaries.

Alison Farrell's The Hike meets Richard Scarry's I Am a Bunny in this delightful board book that combines sweetness and science. Timeless and nostalgic, quirky and fresh, lightly educational and wholly heartfelt, this autobiography of a bear cub will delight all cuddlers and snugglers. See the world through a bear cub's eyes in this charming book about finding your place in the world. Little cub measures himself up to the other animals in the forest. Compared to a rabbit, he is big. Compared to a chipmunk, he is HUGE. Compared to his mother, he is still a little cub. The first in a series of board books pairs Kristen Tracy's timeless and nostalgic text with Alison Farrell's sweet, endearing art for an adorable treatment of everyone's favorite topic: baby animals! PERFECT FOR BEDTIME KISSES: The book goes through a day in the life of a baby bear cub and ends tucked into his den with mama bear. The perfect book to take families through their own day, ending with a cozy goodnight moment! ENCOURAGES CHILDREN TO IMAGINE OTHER PERSPECTIVES: This book is told in the first person: "I am a cub." This unusual narrator will get the youngest readers thinking about what it's really like to be a little bear cub! TEACHES COMPARISONS: The idea of seeing through the animal's eyes by comparing themselves to familiar ideas (cub is bigger than rabbit but smaller than mama bear) is a perfect introduction to comparative logic. CRITICALLY ACCLAIMED ILLUSTRATOR: Alison Farrell is the author/illustrator of the fan favorite The Hike, along with Cycle City and Bicycle Bash. Here she brings her love of science and sweet animals a brand-new series based on forest animals! BABY ANIMALS!: There's one thing all babies love: baby animals! There are all kinds of animals to look at and learn about in these pages, rich with wildlife and filled with love. A BOOK TO BOND OVER: This is the perfect cuddly read between baby and parent, since it's focused on baby animals and their families. Perfect for: •Parents • Grandparents • Friends searching for the perfect baby shower gift • Animal lovers

NAMED A BEST BOOK OF THE YEAR BY THE WASHINGTON POST, VOGUE, MARIE CLAIRE, READER'S DIGEST, AND GOOD HOUSEKEEPING "A gripping read...Unabashedly queer, probing and unafraid...Exceedingly engaging." --USA Today "Sublimely weird, fluently paced, brazenly funny and gayer still, and it richly deserves to find readers." --New York Times From the author of the New York Times–bestselling sensation Mostly Dead Things: a surprising and moving story of two mothers, one difficult son, and the limitations of marriage, parenthood, and love If she's being honest, Sammie Lucas is scared of her son. Working from home in the close quarters of their Florida house, she lives with one wary eye peeled on Samson, a sullen, unknowable boy who resists her every attempt to bond with him. Uncertain in her own feelings about motherhood, she tries her best—driving, cleaning, cooking, prodding him to finish projects for school—while growing increasingly resentful of Monika, her confident but absent wife. As Samson grows from feral toddler to surly teenager, Sammie's life begins to deteriorate into a mess of unruly behavior, and her struggle to create a picture-perfect queer family unravels. When her son's hostility finally spills over into physical aggression, Sammie must confront her role in the mess—and the possibility that it will never be clean again. Blending the warmth and wit of Arnett's breakout hit, Mostly Dead Things, with a candid take on queer family dynamics, With Teeth is a thought-provoking portrait of the delicate fabric of family—and the many ways it can be torn apart.

When Lane's nonconformist cousin Mint disrupts Lane's orderly life by coming to stay for an extended visit, Lane feels torn by her best friend's mean-spirited plan to ruin Mint's popularity. By the author of The Reinvention of Bessica Letter.
