"Welcome to the new standard in intermediate accounting! Instructors recognize the "Spiceland advantage" in content that's intensive and thorough, as well as in writing that's fluid and precise-together, these combine to form a resource that's rigorous yet readable. By blending a comprehensive approach, clear conversational tone, current updates on key standards, and the market-leading technological innovations of Connect®, the Spiceland team delivers an unrivaled experience. As a result of Spiceland's rigorous yet readable learning system, students develop a deeper and more complete understanding of intermediate accounting topics"

The text's efficient format does not overwhelm students, and its accessible style provides an alternative to more encyclopedic, reference-book approaches. The book offers a blend of the core concepts of accounting principles with procedural applications. This approach is supplemented with the most expansive set of end-of-chapter material on the market, a thorough integration of today's hot topics, and a robust selection of student and instructor print and online resources. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Intermediate Accounting, 6/e is built around a Learning System designed to prepare students for the new CPA exam and the business world, by emphasizing decision making. Acknowledging the diversity of students and their learning styles, the authors have created a clear text and varied supplemental materials to aid the success of every student. Intermediate Accounting, 6/e also provides a flexible and consistent supplemental package for instructors.

Rated the most satisfying textbook by students in independent research, Spiceland/Sepe/Nelson's Intermediate Accounting, 6th Edition, has the quality, flexibility, and attention to detail students need to master a challenging subject. It's your Vehicle to Success in the Intermediate Accounting course and beyond! Spiceland/Sepe/Nelson provides a decision maker's perspective to emphasize the professional judgment and critical thinking skills required of accountants today. Reviewers, instructors, and student users of Spiceland have enthusiastically embraced the relaxed, conversational writing style that engages students in an enjoyable and effective learning experience. In addition, accounting's preeminent textbook website provides students a wide variety of electronic learning resources, including iPod content. Study Guide, Instructor's Manual, Solutions Manual, Testbank, and Website content are all created by authors, ensuring seamless compatibility throughout the Spiceland learning package. The end-of-chapter material is also written by the author team and tested in their own classes before being included in Intermediate Accounting. Few areas see the kind of rapid change that accounting does, and the Spiceland team is committed to staying current. The sixth edition fully integrates all the latest FASB Standards, and the authors are committed to keeping you updated with all relevant content changes throughout the edition.

Intermediate Accounting: IFRS Edition provides the tools global accounting students need to understand IFRS and how it is applied in practice. The emphasis on fair value, the proper accounting for financial instruments, and the new developments related to leasing, revenue recognition, and financial statement presentation are examined in light of current practice. Global Accounting Insights highlight the important differences that remain between IFRS and U.S. GAAP, and discuss the ongoing joint convergence efforts to resolve them. Comprehensive, up-to-date, and accurate, Intermediate Accounting: IFRS Edition includes proven pedagogical tools, designed to help students learn more effectively and to answer the changing needs of this course.

The Student Practice and Solutions Manual to accompany Kieso Intermediate Accounting 17e contains a chapter review, and a selection of brief exercises, exercises, and problems with accompanying solutions from Kieso's Problem Set B which is similar to end of chapter material.

Intermediate Accounting, 3e, by Spiceland/Sepe/Tomassini will gain support in traditional and technology-driven accounting departments, especially those looking for a more concise, decision-making text that reinforces challenging concepts via CD-ROM. The revision of this text is based around a "Learning System." The revision of this "Learning System" was built on improving the clarity of the chapters, emphasizing more decision-making in order to prepare students for the changes taking place on the CPA exam, acknowledging the diversity of students and their learning styles by creating supplemental materials to assure the success of every student, and creating a consistent text and supplemental package for both students and instructor's giving us the best possible intermediate text on the market. Returning to the Third edition is the award winning "Coach" CD-ROM. The Coach CD-ROM is a multimedia product integrating audio and video clips, animated illustrations, cases, and alternative reading material that helps students comprehend some of the more difficult topics associated with intermediate accounting. Designed specifically for the Spiceland text, instructors and students will find these learning tools placed strategically throughout the text. This is the most comprehensive Learning System in Intermediate Accounting. At only 1120 pages (300 pages less than the average intermediate accounting text), Spiceland/S/T has not sacrificed content for pages. Instead, the authors have created a very flexible text with a student friendly writing style that focuses on explaining not just how to apply a procedure, but why it's applied.
