Business has been increasingly becoming global in its scope, orientation and strategic intent. This book by a renowned author provides a comprehensive yet concise exposition of the salient features, trends and intricacies of international business. The subject

## File Type PDF International Business 6th Edition

matter is presented in a lucid and succinct style so that even those who do not have a prerequisite knowledge of the subject can easily understand it. The text is enriched and made more interesting by a number of illustrative diagrams, tables and boxes. Another significant feature is the profuse references to Indian contexts and examples. Obsolete materials have been deleted and new ones are added at many places. The sixth edition of the book is characterised by updating of information throughout, besides significant modifications and recasting of most of the chapters. The text is supplemented with five new cases. The book is primarily intended for the undergraduate and postgraduate students of management and commerce. Besides, it will also prove useful for the postgraduate students of economics. Visit

Remarkable change is the new reality of International Business. The accelerating cross-border flow of products, services, capital, ideas, technology and people are driving businesses--large and small--to internationalise. International Business 1st Australasian edition: the New Realities is a rigorous resource which motivates and prepares future managers to operate in multi-national settings, by delivering a teaching system that works. Based on the authors' collective teaching and working experience—as well as discussions with practitioners, students, and faculty staff—this is a complete teaching and learning system where cases, exercises and management skill builders are seamlessly integrated and matched to the topics in each chapter. Case studies from a wide variety of markets relevant to Australasian businesses, including ASEAN countries (e.g.
