The last time she checked, Mia Carrington was pretty sure that she was a normal girl with a completely ordinary life. She goes to high school, has a crush on the gorgeous and mysterious new boy in town, and has strange dreams that she can't help but feel are real somehow. Okay, so maybe she's not all that normal after all. A freak accident changes Mia's life forever when she is thrown into

another world and left to deal with the revelation that she is the daughter of the King of the Light Elves. Throw in an ominous prophecy predicting that Mia will break a curse unleashing the Dark Elves on the world and well, things don't look too good. There is danger lurking at every corner in this strange world and Mia isn't sure who she can trust... The only thing she is certain of is that the Dark Elves know about her, and they will stop at nothing until they have her.

For as long as she can remember, Addie McKay has had an intense fear of the sea—which made

growing up with the Atlantic Ocean as her backyard rather difficult. But something has changed. Lately she has found herself strangely drawn to the ocean. It's as though the sea is casting a spell over her, calling out to her, and she can't help but feel that it coincides with the arrival of the mysterious stranger in town. Addie's never had a reason to step foot in the ocean until one night she's forced to dive into the salty depths. There she makes a startling discovery and exposes a hidden threat looming beneath the surface. Now, Addie knows there is more to her lifelong fear of the water than she

the Stars is a fresh, heartfelt story about fate, discovery, and the magic of friendship.

Mia Carrington has finally done the very thing she was destined to do all along—she's broken the curse on the Dark Elves. In order to make up for her mistake, Mia has chosen to make the ultimate sacrifice: her mortal life. The Dark Elves are now wreaking havoc on the mortal world while the Light Elves are trying to gain alliances. It seems now that Dugan has come into full power, nobody is brave enough to help defeat him, and the kingdom of Alfheimr cannot do it alone. It's up to Mia

to try to persuade the other kingdoms, Raumelfr and Gautelfr, to join in their fight. Only they seem more concerned with frivolous matters—like who will rule beside Mia when she becomes Queen. Now that she has taken her place as King Alberico's rightful heir, there is no shortage of suitors seeking her hand. But her heart already belongs to somebody, despite the fact that she believes her choice has separated them forever. Mia has made her decision to be immortal and there's no turning back now, but every choice has its consequence and, like the dawn must fade into dusk, every beginning has to come

Cami Andrews is a girl on a mission. She's a girl with a plan. A three-step plan, to be exact, and it hasn't failed her yet. Her best friend Oliver doesn't approve of the games she plays. He is a boy unwaveringly loyal. Loyal to a fault, but his patience is running thin. When Cami sees Peyton Holmes for the first time she knows that she wants him to be

her next conquest, and when Cami sets her sights on something, she never fails. Not in life and certainly not in love. She always gets what she wants, even if she has to adjust her personality a little in the process. It might test her friendship with Oliver, but that's a chance she's willing to take. Unfortunately, Peyton isn't like any other guy she's encountered before and getting him to fall for her is far more challenging than she ever expected. Has she lost her touch or is Peyton just immune to her charms? And is she willing to lose the friendship of the only person who truly knows

her and embraces her flaws, in the pursuit of a guy? Maybe winning isn't everything it's cut out to be. Full of laugh-out-loud moments and heartbreaking revelations, Paper Flowers is a captivating tale about falling in love and finding the courage to be yourself along the way.

What if you could live again and again, until you got it right? On a cold and snowy night in 1910, Ursula Todd is born to an English banker and his wife. She dies before she can draw her first breath. On that same cold and snowy night, Ursula Todd is born, lets out a

lusty wail, and embarks upon a life that will be, to say the least, unusual. For as she grows, she also dies, repeatedly, in a variety of ways, while the young century marches on towards its second cataclysmic world war. Does Ursula's apparently infinite number of lives give her the power to save the world from its inevitable destiny? And if she can -- will she? Darkly comic, startlingly poignant, and utterly original -- this is Kate Atkinson at her absolute best.

"Maybe promises are supposed to hurt a little." Amelia Bright has lots of plans for

the future, and none of them involve falling for a guy like Sebastian Holbrook. With a questionable reputation and an attitude to match, he's exactly the kind of guy Amelia promised herself she'd avoid. But after an encounter that leaves her charged and breathless, she can't stop wondering about him and the secrets he keeps hidden behind that tough exterior. Sebastian knows firsthand that every single choice has a consequence and how a fragile promise can shape a life. Now that his mother is gone and he's raising his little brother on his own, he's all but given up on a future for

himself. Struggling to keep food on the table and a roof over their heads, Sebastian doesn't have time for games or girls. So why can't he shake thoughts of beautiful, smart Amelia Bright from his mind? Equally devastating and heartfelt, Amelia and Sebastian's story of a rare and unexpected connection is one that will stay with you long after the last page is read. Full of wit and tenderness, *The Bright Effect* is an unforgettable journey of expectations, regrets and discovering just how far love can carry us in the face of heartbreak.

travels up Highway 59 to the small town of Lark, where two murders--a black lawyer from Chicago and a local white woman--have stirred up a hornet's nest of resentment. Darren must solve the crimes--and save himself in the process--before Lark's long-simmering racial fault lines erupt. From a writer and producer of the Emmy winning Fox TV show *Empire*, *Bluebird, Bluebird* is a rural noir suffused with the unique music, color, and nuance of East Texas. "In *Bluebird, Bluebird* Attica Locke has both mastered the thriller and exceeded it." --Ann Patchett

Before tonight Cassie Tate's biggest concerns were whether she could pass Algebra and how she was going to keep Elora, her best friend, from dressing her in a skimpy fairy costume for Halloween. Her feet were firmly planted in suburban reality and she had no reason to believe her life would be anything but that of a typical teenager. That is until tonight, when Cassie saw something that no human was ever supposed to see; in the blink of an eye she was thrown into the world of the Light and Dark Elves. their Chosen. Unbeknownst to the mortal realm, the battle between Light and Dark is being brought to their doorstep. The only one who can keep it at bay holds darkness in his heart like a lover, and the one who can sway that heart must decide if she can look beyond his black past, beyond his evil nature and see the man he is destined to be. The questions must be asked, does love really cover a multitude of sins? Can true love actually conquer all or will his darkness consume those around him until all that stands is an assassin with the blood of the mortal realm on his hands?
