Leisure for Canadians (2nd ed.) begins by offering definitions for leisure, recreation, and play and their respective roles in our society. Two themes recur throughout the book: the role of theory in helping us understand sport and leisure dynamics, and politics and power. This book also describes how Canadians spend their spare time and explores the diversity within the Canadian social landscape.

Leisure for Canadians, 2nd ed. | Sagamore Venture Publishing

The second edition of Leisure for Canadians builds on the work started in the first effort published in 2007. This second edition introduces a new theme within the larger leisure literature, that of sport and events management. Seven new chapters focusing on various aspects of sport and event planning have been added, along with a chapter on the built environment and leisure behavior. As was the case in the first edition, this text is comprised of chapters written by scholars from across Canada.

Updated 2019-05-02 09:26. In Canada, having fun with family or friends is easy. All you have to do is decide what kind of leisure activities you want to enjoy for a day, or even for a weekend. If you want to break the routine of restaurants, movies and bistros, know that the country has a multitude of places of interest such as zoos, amusement parks, national and provincial parks, waterfalls and rivers as well as mountain ranges.
