Peak performances should not be left to chance. Rather than hoping that you will perform at your best, why not engineer your performance? Peak Performance Every Time incorporates principles from sport psychology and performance coaching and applies these to all areas of life. Using illustrations and real-world examples from top athletes and business executives, it focuses on the three main components that underpin performance: Confidence Motivation Focus. As well as offering practical strategies to help the reader achieve their optimal mindset, it also explains how to coach others to perform to their potential. Throughout, the book is underpinned by theoretical frameworks, literature and research findings and will be invaluable to anyone trying to reach their full potential, in particular athletes, coaches, managers and executives. It may also be of interest to sports psychology, management and business students.

Chamaine exposes how your mind is sabotaging you and keeping you from achieving your true potential. He shows you how to take concrete steps to unleash the vast, untapped powers of your mind.

The problem of not having enough time is as old as time itself, and so are most of the proposed cures. The trouble is, they don't seem to work. The Mind Gym: Give me time proposes a radically different approach to time and how we use it. Combining extensive psychological research with five years of testing amongst The Mind Gym's 100,000 members, this book offers practical solutions that will make you feel great about how your time is spent. The book is packed with techniques including "how to achieve more by slowing down" tiny time investments that deliver massive returns " how to say 'no' and be loved for it " simple ways to get other people to want to do your work for you " how to get time with people who haven't got time for you And there's no need to read this book from cover to cover. The questionnaire at the start guides you directly to the chapters that will help you most.

Finally - a book which succeeds in addressing the area most other diet, health and exercise books miss - your thoughts! What's the same thing about every diet, health or exercise book you've ever tried?..... YOU! And have you noticed that time after time, you get the same results? Well, the reason is that you haven't addressed the key to all change first. Your thoughts. Before trying to change your diet or embark on a new health regime, you must first look at changing the thoughts that go into your mind. Otherwise you almost guarantee a huge disappointment. The Thought Gym gives you workable and proven methods for addressing what goes into your mind, so that the results that you want are now achievable. Not only will you understand how to alter your thoughts, but you'll understand how your beliefs and values shape your results, how language is vitally important to your success and also how to really make sure that the right motivation for you to succeed is in place from the start. The Thought Gym will give you tools, strategies and techniques to enable you to succeed where once you may have failed. Supporting the information you will get from reading this book are on-line guided support modules consisting of both downloadable audio support and video streaming, so it's like the author is in the room with you helping you achieve your health dreams.
