The financial services industry can be personally and financially rewarding, so why is it that so few women are in the field? Arthea Reed and Diane Dixon draw upon the results of a Women in Insurance & Financial Services research study and their own extensive knowledge to explain the shortage as well as to inspire more women to enter or remain in the field. Some of the most successful women in financial services have

Written by a practicing emergency physician, *The White Coat Investor* is a high-yield manual that specifically deals with the financial issues facing medical students, residents, physicians, dentists, and similar high-income professionals. Doctors are highly-educated and extensively trained at making difficult diagnoses and performing life saving procedures. However, they

# Read Free New Life Insurance Investment

receive little to no training in business, personal finance, investing, insurance, taxes, estate planning, and asset protection. This book fills in the gaps and will teach you to use your high income to escape from your student loans, provide for your family, build wealth, and stop getting ripped off by unscrupulous financial professionals. Straight talk and clear explanations allow the book to be easily digested by a novice to the subject matter yet the book also contains advanced concepts specific to physicians you won't find in other financial books. This

# Read Free New Life Insurance Investment

book will teach you how to:  
Graduate from medical school  
with as little debt as  
possible Escape from student  
loans within two to five  
years of residency  
graduation Purchase the  
right types and amounts of  
insurance Decide when to buy  
a house and how much to  
spend on it Learn to invest  
in a sensible, low-cost and  
effective manner with or  
without the assistance of an  
advisor Avoid investments  
which are designed to be  
sold, not bought Select  
advisors who give great  
service and advice at a fair  
price Become a millionaire  
within five to ten years of  
residency graduation Use a

This practical guide provides a comprehensive overview of professionally managed assets, or investments in which all portfolio decisions and rebalancing are delegated to a fund manager or third-party advice service. Savvy investors looking to achieve a better understanding of the nuances, benefits, and drawbacks of using these products will find the answers they are looking for in *The Handbook of Professionally Managed Assets*, no matter whether they would like to learn

# Read Free New Life Insurance Investment

more about mutual funds or hedge funds. There is a considerable lack of knowledge among the investing public about how to properly construct a well-diversified portfolio of investments that includes a selection of professionally managed assets. As a long-standing financial planner, attorney, and educator, Keith Fevurly remedies this issue in *The Handbook of Professionally Managed Assets* by clearly presenting the major categories of professionally managed assets and revealing the best tactics for investing in these vehicles. Along the way, he reveals each asset's

# Read Free New Life Insurance Investment

risks and rewards, and he also provides the in-depth knowledge and information investors need to confidently select the right assets for their portfolios. Filled with valuable insights for everyone from financial professionals to individual investors, The Handbook of Professionally Managed Assets stands alone in its ability to shed light on the many investment vehicles that fall under the larger umbrella of professionally managed assets. With topics as wide-ranging as mutual funds, closed-end funds, unit investment trusts, exchange traded funds, hedge funds,

# Read Free New Life Insurance Investment

managed futures, and more, this invaluable resource will give you the information you need to build a prosperous financial future for yourself and your clients. What you'll learn Among other topics, The Handbook of Professionally Managed Assets will cover: Why financial advisors and sophisticated individual investors should use professionally managed assets as part of an overall investment strategy. Mutual funds, including the history of their growth in the financial industry and the differences between actively and passively managed mutual funds. The proper use of
