From the bestselling *Baby Whisperer* franchise, a concise and comprehensive guide to getting your baby to sleep through the night—available exclusively as an ebook. "I can't get my five-week-old to sleep in her crib" "My six-week-old resists his naps" "My baby is three months old and is still waking up throughout the night" Sleep is the number one issue that plagues parents from the moment they bring their baby home from the hospital. Even the lucky ones, whose babies are naturally good sleepers, wonder when their baby will finally sleep through the night. With reassuring, down-to-earth advice, Tracy Hogg's practical sleep program will help you overcome your baby's sleep problems and works with infants from as young as one day old.

The most comprehensive, up-close, and personal book in the bestselling *Baby Whisperer* series to date! Thousands of parents have asked the *Baby Whisperer* to help them solve their problems. With this book you too can take advantage of the advice, insights, and parenting techniques from beloved child expert Tracy Hogg. "A problem is nothing more than a situation calling for a creative solution," she reminds us. "Ask the right questions and you'll come up with the right answers." Once you learn how to translate language, the "baby-language" your infant uses to communicate needs, feelings, and opinions, you can see your child for who he or she really is—an understanding that will serve you well as your child blossoms into the toddler years. By helping you establish a daily routine and tailor your parenting strategies according to your child's unique personality and stage of development, Tracy will teach you how to:

- Ask the Twelve Essential Questions to recognize potential problems and employ the Twelve Principles of Problem Solving—simple troubleshooting techniques for everyday situations
- Avoid, or remedy, accidental parenting—inadvertent adult behavior that often leads to such common parenting challenges as sleep problems, poor eating habits, separation anxiety, and tantrums
- Be a P.C. parent—patient and conscious—who knows how to detect prime times—windows of opportunity for teaching babies how to get to sleep on their own, introducing bottles to breast-fed babies, toilet training, and other growth issues
- Inhibit runaway emotions and foster his or her emotional fitness—the ability to understand and manage feelings ...and so much more.

For Tracy's fans, this book will be a welcome addition to the Hogg library; for readers unfamiliar with her philosophy of care, it will open a new world of understanding and insight.

The New Childcare Bible—A Must-Have Whether You Have Occasional Sitters or a Full-Time Nanny Finding the right caregiver can be one of the most life-changing decisions a parent makes. Whether it's a kindly neighbor for the weekday latchkey hours, a teenage babysitter one night a week, or a full-time professional nanny, the right caregiver can enrich a child's world and literally grow her brain. Hire the wrong one, and this person could cause developmental delays and stress for the entire family. In her groundbreaking new book, *Secrets of the Nanny Whisperer: A Practical Guide for Finding and Achieving the Gold Standard of Care for Your Child*, nationally recognized parenting expert Tammy Gold draws from her extensive background in child developmental psychology, social work, and family therapy to offer the first childcare bible for parents. Knowing the impact caregivers have on children coupled with the unregulated often unknown world of in-home childcare workers, Gold has devoted her professional career, and now this book, to helping parents navigate through this important--and woefully overlooked--process. She arms parents with invaluable tools, tips, and insider secrets to finding the perfect caregiver-family match. Gold's Family Needs Assessment helps parents identify the traits and conditions that are "must-haves," added "pluses," or nonnegotiable "deal breakers." Parents can then use this list of qualities to quickly weed out unqualified candidates. She also details what to ask over the phone and in a face-to-face interview, how to structure a trial run (which she deems essential), and what to spell out in a Nanny-Family Work Agreement--another essential tool included in the book. Readers learn her "Nanny Speak 1-2-3" technique to help clarify and resolve issues with the caregiver in a productive, positive way. In addition to saving hours and energy, Parents will also discover as much about parenting as they will about finding a nanny. *Secrets of the Nanny Whisperer* is chock-full of parenting gems about children's developmental stages, ways to nurture and stimulate the child, and essential strategies for maintaining harmonious and high-functioning parent-child-caregiver relationships. This book is a must read for parents who want to create a happier, healthier and safer childcare experience for their child.
