Sorcery Rising Fool S Gold

Sorcery Rising is one of those books that is an equal mixture of good and bad. On the good side of things, we have a unique world that is easy to lose yourself in. Jude Fisher writes this world with a great deal of depth, although sometimes her world-building is a little on the dull side of things.

From the barren isles of the North come the Eyrans. Hardy seafaring folk. From the South come their old enemies, the Istrians. Slave-owners, who drove the Eyrans from their lands. And from all over Elda come the nomadic peoples - the Footloose - purveyors of charms and (until now) harmless potions. But whence comes the sorcery that disrupts the annual Allfair at which they all gather? Katla Aransen and her family have sailed to the fair to trade their goods. The Vingo clan have travelled from Iстриa to purchase a bride for their appalling eldest son. Tycho Issian has come to sell his daughter to the highest bidder. King Ravn Asharson, Stallion of the North, seeks a political alliance; while others seek his downfall. For centuries, Elda has been bereft of magic; but this year something has changed. A mysterious force is abroad once more, and it will change the world forever...

Eyran knife-maker Katla Aransen is thrilled to be at the Allfair, which is held on the Moonfell Plain within the Istrian Empire, until she is seen climbing a mount forbidden to women by the Istrian religion and finds her life in danger.

Magic has returned to Elda, creating all manner of wonders and terrors. None yet know that the source of this magic is the legendary Rosa Eldi, restored to the world, but not yet restored to herself. Unaware of her true nature, she has married King Ravn Asharson of the North, and now with usurpers and assassins circling she must conceive a child to establish the succession. In the Southern Empire, the fire of holy war is smouldering and violence is everywhere, fuelled by fundamentalist hatred and bigotry. Caught up in these machinations, peace-loving Saro Vingo is forced to take up arms against the North; and Virelai, apprentice sorcerer, finds himself chained to the murderous plans of his master, Tycho Issian. Ignoring his king's call to arms, Aran Aranson, chief of the Rockfall clan, is in the grip of a mad obsession borne of a magical map and dreams of sailing the frozen seas to Sanctuary, island of legend, to find a fortune. His daughter, Katla, dreams of sailing with him; but her fate lies elsewhere. All over Elda, forces are aligning themselves for good or for evil. There is magic in the world again, but it is wild and unpredictable, and few will count its touch a blessing.

From award-winning Financial Times journalist Gillian Tett, who enraged Wall Street leaders with her news-breaking warnings of a crisis more than a year ahead of the curve, Fool ' s Gold tells the astonishing unknown story at the heart of the 2008 meltdown. Drawing on exclusive access to J.P. Morgan CEO Jamie Dimon and a tightly bonded team of bankers known on Wall Street as the " Morgan Mafia, " as well as in-depth interviews with dozens of other key players, including Treasury Secretary Timothy Geithner, Tett brings to life in gripping detail how the Morgan team ' s bold ideas for a whole new kind of financial alchemy helped to ignite a revolution in banking, and how that revolution escalated wildly out of control. The deeply reported and lively narrative takes readers behind the scenes, to the inner sanctums of elite finance and to the secretive reaches of what came to be known as the " shadow banking " world. The story begins with the intense Morgan brainstorming session in 1994 beside a pool in Boca Raton, where the team cooked up a dazzling new idea for the exotic financial product known as credit derivatives. That idea would rip around the banking world, catapult Morgan to the top of the turbocharged derivatives trade, and fuel an extraordinary banking boom that seemed to have unleashed banks from ages-old constraints of risk. But when the Morgan team ' s derivatives dream collided with the housing boom, and was perverted—through hubris, delusion, and sheer greed—by titans of banking that included Citigroup, UBS, Deutsche Bank, and the thundering herd at Merrill Lynch—even as J.P. Morgan itself stayed well away from the risky concoctions others were peddling—catastrophe followed. Tett ' s access to Dimon and the J.P. Morgan leaders who so skillfully steered their bank away from the wild excesses of others sheds invaluable light not only on the untold story of how they engineered their bank ' s escape from carnage but also on how possible it was for the larger banking world, regulators, and rating agencies to have spotted, and heeded, the terrible risks of a meltdown. A tale of blistering brilliance and willfully blind ambition, Fool ' s Gold is both a rare journey deep inside the arcane and wildly competitive world of high finance and a vital contribution to understanding how the worst economic crisis since the Great Depression was perpetrated.

New York Times bestselling author Susan Mallery's classic blend of lighthearted humor and intense emotional conflict works its magic on two newcomers to the California town of Fool's Gold, which Library Journal calls "a setting so real and appealing readers will want to start scoping out real estate." Destiny Mills believes passion has its place—like in the lyrics of the country songs that made her parents famous. After a childhood full of drama and heartache, she wants a life that's calm. Safe. Everything that Kipling Gilmore isn't. Her temporary assignment with the Fool's Gold search and rescue team puts her in delicious proximity to the former world-class skier every day. Part of her aches to let go for once...the rest is terrified what'll happen if she does. Though an accident ended his career, Kipling still lives for thrills—and a hot fling with a gorgeous redhead like Destiny would be a welcome diversion. Yet beneath his new coworker's cool facade is a woman who needs more than he's ever given. With her, he's ready to take the risk. But love, like skiing, is all about trust—and before you soar, you have to be willing to fall. Look for Best of My Love, the next title in Susan Mallery's Fool's Gold series.

Discover a land of enchantment, legend, and adventure in this first book of the Immortals series, featuring an updated cover for longtime fans and fresh converts alike, and including an all-new afterword from Tamora Pierce. Thirteen-year-old Daine has always had a special connection with animals, but only when she ' s forced to leave home does she realize it ' s more than a knack—it ' s magic. With this wild magic, not only can Daine speak to animals, but she can also make them obey her. Daine takes a job handling horses for the Queen ' s Riders, where she meets the master mage Numair and becomes his student. Under Numair ' s guidance, Daine explores the scope of her magic. But she encounters other beings, too, who are not so gentle. These terrifying creatures, called Immortals, have been imprisoned in the Divine Realms for the past four hundred years—but now someone has broken the barrier. And it ' s up to Daine and her friends to defend their world from an Immortal attack.

Meet the Mitchell brothers of Fool's Gold, California—five gorgeous men who've left a trail of broken hearts in their wake... Maya Farlow learned the hard way to depend only on herself, so when she fell too deeply for the bad-boy charms of Del Mitchell, she did the only thing she could—she ran. Stunned, Del left Fool's Gold to make his name and fortune in extreme sports. Now ten years later, Maya's been hired to promote her hometown's new slogan, The Destination for Romance. The celebrity spokesman is none other than Del, the man she dumped but never forgot. Awkward! Although Del's not the type to hold a grudge, he's determined to avoid falling a second time for the woman who broke his heart. He's a daredevil, not an idiot. Trouble is, in all his adventures, he never found a rush as exhilarating as Maya's kiss. Maybe risking his heart will prove to be the biggest thrill of all... Look for Best of My Love, the next title in Susan Mallery's Fool's Gold series.
