or grass cutting " divots " from the machine rollers or cutters. 2.16. Should the Contractor cause damage to the surface or levels of the ground, or create divots during grass cutting operations, the Contractor will at his own expense reinstate such damage forthwith to the satisfaction of the Council. 2.17.

---

2018 Grass Cutting Tender - Lincolnshire County Council

Grasscutters are easy to breed, you can start the process with 2 males and 6 females and within 12 months you can increase the numbers of grass – cutters in your farm to over 100 because an average female grasscutter can give birth to 7 or more at the same time and they can give birth twice in a year since their gestation period is about 5 months.
