The Art of Chinese Brush Painting is an excellent way for newcomers to experience this ancient Chinese art form. The book introduces traditional Chinese ink painting techniques developed over a thousand years ago. In 35 simple and intermediate lessons, readers will learn to paint towering landscapes; the elegant Four Generals: bamboo, orchid, plum blossom and chrysanthemum; rugged, steadfast pine; animals from the Chinese Zodiac; and basic strokes used in Chinese calligraphy. To better understand "the soft martial art," the book includes an introduction to the Chinese ink painting tradition and detailed discussion of brushes, paper and other tools and accessories. The lessons are instructive for artists at any level of expertise but are directed to the dedicated beginner.

Try your hands at these historically and culturally important methods, and create some beautiful paintings of your own. Chinese painting is an ancient art that has evolved and become refined over many centuries. Artists brush ink and color pigments onto silk or paper using a variety of techniques, with two main approaches: gongbi a traditional and realistic style based on line drawing, and xieyi style, a freehand method that uses fewer strokes to suggest objects in a less literal way. Painting themes generally fall into three categories: figure, landscaping, and bird-and-flower. Chinese brush painting is mainly presented in lines, shades and white space to express the feelings about nature, social phenomena, and the very essence of the universe. The framework for this expression is often traditional: certain subjects carry cultural connotations that are well-known and imbue the painting with a layer of meaning beyond face value of objects shown. The traditional subjects such as mandarin ducks, butterflies, and the "Four Gentlemen" (plum blossoms, orchids, bamboos, and chrysanthemum) are examples that contain this rich cultural meaning. Readers will learn first about the tools and materials, then painting techniques. Early pages explore the very basic painting methods and subjects/perfect for beginning painters,but continue to build skills for painting plants and animals of increasing complexity. Chinese Brush Painting illustrates several Chinese brush painting techniques with the use of different tools, brushwork and color mixing. With the step-by-step projects, you can first follow the introductory lessons to learn the necessary skills of brushwork, usage of paper, and characteristics of water, ink and colors; then follow the advanced lessons to learn the compositions and more complicated color applications.

The fluid lines and graceful strokes of Chinese brush painting make it a rewarding pastime, which, with practice, can produce beautiful and elegant results. This book introduces you to the basic equipment and techniques of the style, and progresses through a series of projects that allow you to practice and refine your strokes.

A Beginner's Guide to Chinese Brush Painting teaches this ancient art form in an easy-to-understand way/no prior experience necessary! As one of the oldest continuous artistic traditions in the world, Chinese brush painting has been used for thousands of years to create images that harness the imagination, and capture the inner spirit of a subject:be it an animal, landscape or tree. All you need for this simple, but beautiful, art form is black watercolor paint, white paper, a brush and some creativity! An introduction tells you about the history of brush painting, and also gives tips for holding your brush, achieving different shades and collecting your materials. After that, the book takes you step-by-step through more than 35 hands-on activities/including basic strokes, putting them together to create an object or scene, the importance of leaving open space and even writing some Chinese calligraphy. With the help of this book, artists of all ages can learn to paint: Bamboo stalks, branches and leaf clusters A knotted pine tree and its delicate needles A snail with a spiral shell and little body peeking out from underneath A waterfall gliding down the side of a mountain And much more! You'll find that this activity will help you learn to center your mind and thoughts, and your masterpiece will be inspiring decorations or great gifts for friends and family. Get started learning this "soft martial art!"
