The Concise History Of The  
A Concise History of Bosnia  
integrates the political, economic  
and cultural history of this  
fascinating, beautiful, but much  
misunderstood country. Drawing  
on a wide range of primary and  
secondary literature, this  
objective and engaging history  
covers developments in the  
region up to the present day and  
offers an accessible interpretation  
of an often contested and  
controversial history.

'Merry Wiesner-Hanks' A Concise History of the World is a unique and fascinating exploration of the world from early human history to the present. Unlike other texts that tend to be dominated by political and economic narratives, [this book] takes social and cultural issues - particularly those focused on gender, the family, sexuality, and material culture - as its primary focus.
