NEW YORK TIMES BESTSELLER An extraordinary insight into life under one of the world's most ruthless and secretive dictatorships – and the story of one woman's terrifying struggle to avoid capture/repatriation and guide her family to freedom.

An extraordinary insight into life under one of the world's most ruthless and secretive dictatorships and the story of one woman's terrifying struggle to avoid capture/repatriation and guide her family to freedom. As a child growing up in North Korea, Hyeonseo Lee was one of millions trapped by a secretive and brutal communist regime. Her home on the border with China gave her some exposure to the world beyond the confines of the Hermit Kingdom and, as the famine of the 1990s struck, she began to wonder, question and to realise that she had been brainwashed her entire life. Given the repression, poverty and starvation she witnessed surely her country could not be, as she had been told the best on the planet? Aged seventeen, she decided to escape North Korea. She could not have imagined that it would be twelve years before she was reunited with her family. She could not return, since rumours of her escape were spreading, and she and her family could incur the punishments of the government authorities involving imprisonment, torture, and possible public execution. Hyeonseo instead remained in China and rapidly learned Chinese in an effort to adapt and survive. Twelve years and two lifetimes later, she would return to the North Korean border in a daring mission to spirit her mother and brother to South Korea, on one of the most arduous, costly and dangerous journeys imaginable. This is the unique story not only of Hyeonseo's escape from the darkness into the light, but also of her coming of age, education and the resolve she found to rebuild her life not once, but twice first in China, then in South Korea. Strong, brave and eloquent, this memoir is a triumph of her remarkable spirit."

Eunsun Kim was born in North Korea, one of the most secretive and oppressive countries in the modern world. As a child Eunsun loved her country...despite her school field trips to public executions, daily self-criticism sessions, and the increasing gnaw of hunger as the country-wide famine escalated. By the time she was eleven years old, Eunsun's father and grandparents had died of starvation, and Eunsun was in danger of the same. Finally, her mother decided to escape North Korea with Eunsun and her sister, not knowing that they were embarking on a journey that would take them nine long years to complete. Before finally reaching South Korea and freedom, Eunsun and her family would live homeless, fall into the hands of Chinese human traffickers, survive a North Korean labor camp, and cross the deserts of Mongolia on foot. Now, Eunsun is sharing her remarkable story to give voice to the tens of millions of North Koreans still suffering in silence. Told with grace and courage, her memoir is a riveting exposé of North Korea's totalitarian regime and, ultimately, a testament to the strength and resilience of the human spirit.

"I am most grateful for two things: that I was born in North Korea, and that I escaped from North Korea." - Yeonmi Park "One of the most harrowing stories I have ever heard - and one of the most inspiring." - The Bookseller "Park's remarkable and inspiring story shines a light on a country whose inhabitants live in misery beyond comprehension. Park's important memoir showcases the strength of the human spirit and one young woman's incredible determination to never be hungry again." —Publishers Weekly In In Order to Live, Yeonmi Park shines a light not just into the darkest corners of life in North Korea, describing the deprivation and deception she endured and which millions of North Korean people continue to endure to this day, but also onto her own most painful and difficult memories. She tells with bravery and dignity for the first time the story of how she and her mother were betrayed and sold into sexual slavery in China and forced to suffer terrible psychological and physical hardship before they finally made their way to Seoul, South Korea—and to freedom. Park confronts her past with a startling resilience. In spite of everything, she has never stopped being proud of where she is from, and never stopped striving for a better life. Indeed, today she is a human rights activist working determinedly to bring attention to the oppression taking place in her home country. Park's testimony is heartbreaking and unimaginable, but never without hope. This is the human spirit at its most indomitable.
