Camryn owed her life to the Suttons for getting her off the streets and giving her a job even if it was as their maid, so when Alex took her to the dungeon for some kinky fun she was more than happy to oblige, but when the cane came out and her limits tested, she was faced with a choice. Accept it with grace and dignity, or give up pleasuring the Suttons for good.

A collection of five varied erotic spanking stories with mixed themes. The Governess by Izzy French No governess lasts very long in Monsieur Leveque's house, and none of them will talk about what happens to them there. Angelique expects to be dismissed as easily as the rest. Instead, her employer is determined to punish her for letting his sons talk at mealtimes, and as his crop falls, the relationship between them takes on a whole new complexion... Sprung by Deva Shore Sheila and her friends are enjoying a very naughty sleep-over, while her brother is secretly spying on their lesbian games. But one of the girls, Mary, has rumbled his voyeuristic antics, and decides a spanking with her ruler is in order to make sure he doesn't try the same trick in future. How will Mary react when he decides turnout is fair play? The Rose by Beth Anderson They've been sharing intimate fantasies on line, but now it's time to take their relationship into the real world. Attending his home for her first 'training session' and accepting a rose as the symbol of her submission, she finally learns what it's like to be on the end of a masterfully delivered punishment. No Smoking by Stephen Albrow Taking a much-needed cigarette break is one of the few things that makes Carly's job at the call centre bearable. But the company has a new rule forbidding smoking in the car park, and a handsome, dominant security guard is keen to show Carly just what happens to bad girls who break that rule. The Worm Turns by Beverly Langland Years after she was bullied at school by Julia, the girl she feared and loved, they meet again by chance in a lesbian bar. At last, she has the chance to take revenge. But having Julia naked and helpless over her knee, ready to be spanked, arouses feelings in her she never expected. Stephen is 22 years old. An heir to a vast fortune. But, it was held in trust under his Aunts control. The lazy, undisciplined heir to a fortune soon finds himself under the charge of a Governess hired by his Aunt. The Governesses job is to break a lifetime of poor habits while he is trained in advanced studies. The Governess decides she will use petticoat methods on Stephen. Petticoat punishment is when the male is coerced into dressing in female attire. Then he is PUNISHED. Punishment by definition means things he HATES and would NEVER want to experience again. Petticoat training is designed to induce sexual excitement. When a male gets turned on by dressing this way, it creates a euphoric ecstasy experience. The same experience as taking cocaine or opioid pills. The same reward centers of the brain are intensely stimulated. An addiction that is even more powerful than drugs. Just looking at a woman, dressed in everyday attire, now serves to stimulate these desires. Once they experience this, even one time, they become hooked. They now cannot be KEPT OUT of girls clothes. They want more and more. Helplessly addicted. Unable to control the desire to experience the euphoria another time. From the moment Christine took the position of his Governess, she knew she would petticoat punish him. But she wanted him fully completely petticoat trained first. Why? The reason was obvious. A very rich heir under an extremely powerful addiction administered by her. A helpless slave to this addiction and needing her to administer it. She wanted him to have an intense burning sexual flame requiring more and more petticoat training. Her plan? Constant sexual arousal, long periods of extended chastity and very intense feminization. This is a crossdressing and female domination story. As in all my books, my characters names are fictional. All my characters are over 18 years old.

The Adult Baby, Sissy Girl and Sissy baby communities have their own style, their own culture and also, in many ways, their own language. Some words have subtle (or significant) difference in meaning to the general understanding and a dictionary can be very helpful. Sissy Baby Charlotte and Colin Milton have combined to create a very impressive and substantial dictionary of these terms. The entire dictionary is over 145000 words in length and is born out of their experiences as submissive babies and baby girls to GovernessX. If you read many of Colin Milton's books you will find many references to this dominant woman. So, if you want an authoritative reference to accompany your library of sissy and sissy baby books, then look no further!

When a governess of prodigious skill is required, there is only one place the nobility of England go: the Governess Bureau. Miss Helena Patrick is not a governess. At least, not really. At St Severine's School for Turbulent Girls, young ladies between the ages of eighteen and twenty-one are sent receive the discipline they so desperately require... Selena is eighteen, and is already wed. But she is simply too shy to perform her wifely duties. In frustration, her husband sends her to St Severine's. ---- PG Excerpt ---- Upon entering the building itself, my eyes were instantly assaulted by the absolute perversion of it all. The halls were flooded with girls like Elizabeth - girls with ample chests, girls who wore their skirts far too high, girls whose brassieres were visible through their small blouses. It was too much for my delicate sensibilities - I had to avert my eyes. Elizabeth giggled, noticing my obvious discomfort. She led me up a flight of stairs, and I marveled at the fact that even though she was naught three steps ahead of me, I could still catch glimpses of her panties. It seemed wrong, somehow. "Don't worry, Selena. You'll get used to the way things work around her in no time!" She insisted, though I wasn't exactly inclined to believe her. "The uniforms are a bit unique, sure - and so are the punishments. But it's really a lovely school, trust me on that. You're sure to have a fulfilling experience here!" Elizabeth chattered away about how lovely St. Severine's was, but my brain was still stuck on that one word - punishment. So this boarding school had unique punishments, so unique that Elizabeth felt they were worthy of mention? In most schools, you had to write lines, complete extra work...or, in the worst cases, your hands were slapping with a ruler.

Poet John Glasco wrote a great many unusual and eccentric works during his career, and ranks among the finest Canadian authors of the 20th Century. This particular title, published under the pseudoyrn "Miles Underwood," has achieved status as a must-have in your BDSM library. It is the account of Harriet Marwood, summoned to tutor the son of a 19th Century Victorian businessman, Arthur Lovel, whose wife has died, in the proper way to conduct himself, and to quit what is wonderfully termed "self-effacing." Our Ms. Marwood soon takes over the house, leaving the businessman free to consort with Kate, his whore, and the boy, young Richard, at her mercy, where he most wants to be.

Not responsible for my actions..." she whispered slowly and stood up, tip-toe, and kissed him. He was too surprised to draw back and when he tried, she had already placed her unexpectedly strong arms around his neck and he lacked the strength to pry them away. In fact, he felt strangely helpless, like it was someone else who acted instead of him, as he kissed her back. His hands involuntarily reached her waist and pulled her closer." - From the short story "View of a cemetery" "This, this is not really happening, is it?" Agnes whispered, breathless as Catherine started to undo her corset. "No, of course it is not." Catherine agreed, suppressing a small moan of delight as she pulled down the upper part of the linen undergarment and very attentively and experimentally kissed Agnes' soft round breasts. - From the short story "Wildflowers" "No, no, none of that..." he said teasingly, but reluctantly, as he moved her hands away. "Not yet," he added and smiled roguish at her disappointed sigh. I stayed petrified in front of the window as the scene continued before me. I felt feverish and out of breath myself, wishing with all my heart that someone would make love to me like that, but also keenly aware of that I was watching something entirely private and that it was both wicked and wrong of me to stay and look. - From the short story "Booklover" Product details: #9 on the Top 10 list of Victorian Erotica Romance (Amazon US) #86 on the Top 100 list of Erotica Fiction (Amazon UK) Category: Victorian Romance and Erotica Format: Kindle eBook Written and published: 2011 Length: ~ 20800 words (each story is short and sweet ~2500 words) Proofread by Nicolas Ambrose Publisher: My Secret Quill About the author: Lady T.
