As a consequence the narrative of the Great Transformation is something of a crime with a victim but no perpetrator - except the ideas of the political economists. And his critique of class seems to me to be a bit of an Aunt Sally, though perhaps it was a more relevant argument in the context of Stalinised Marxism in the 1930s when Polanyi's ideas were developing.

Origins Of Our Time

In this classic work of economic history and social theory, Karl Polanyi analyzes the economic and social changes brought about by the "great transformation" of the Industrial Revolution. His analysis explains not only the deficiencies of the self-regulating market, but the potentially dire social consequences of untempered market capitalism.

...

written by Charles The Great
Transformation, published in
1944, is an ambitious book.
It attempts two huge tasks.
First, to refute the free
market ideology, sometimes
called market
fundamentalism, represented
at that time by men such as
Ludwig von Mises, and now by
the entirety of globalized
neoliberal capitalism.

in 1944 by Farrar & Rinehart, it deals with the social and political upheavals that took place in England during the rise of the market economy. Polanyi contends that the modern market economy and the modern nation-state should be understood not as discrete elements but as the single human invention he calls the "Market Society". A distinguishing characteristic of the "Market Society" is

The Great Transformation
(book) - Wikipedia

"The Great Transformation" by Karl Polanyi is a classic economic exposé. It was

*The Great Transformation:
The Political and Economic*

...

For Polanyi, the essence of the Great Transformation is the framing of economic activity into a profit seeking and hence Capitalistic enterprise. The notion of 'economic profit' as understood in economic liberalism was not prevalent at any other time throughout history, furthermore where the profit motive did exist, profit was constrained by social norms and institutions--This is

...

Polanyi's great transformation starts in the 19th century with the installation of a self-regulating market system ('the satanic mill') for labor, land and money and by letting the whole society be run by the system without any intervention. It provoked a wholesale destruction of the 'traditional fabric of society'.
