To break into the screenwriting game, you need a screenplay that is not just good, but great. Superlative. Stellar. In *Writing Movies* you'll find everything you need to know to reach this level. And, like the very best teachers, *Writing Movies* is always practical, accessible, and entertaining. The book provides a comprehensive look at screenwriting, covering all the fundamentals (plot, character, scenes, dialogue, etc.) and such crucial-but seldom discussed-topics as description, voice, tone, and theme. Also included are writing assignments and step-by-step tasks that take writers from rough idea to polished screenplay.
