The Last Laugh was beautifully written, relatable, and a great read. It was all the things I love about Tracy's other books while tackling deeper subjects – the things that happen that are beyond our control, and can turn life round in an instant.

Kate Garraway's husband Derek Draper has spoken for the first time since he fell seriously ill with Coronavirus seven months ago. Speaking to The Sun, Kate revealed the 'heartbreaking' moment happened when Derek's nurses were moving him into a new position as part of his treatment after laying down for so long because of his condition. 'As they were shifting him, they asked if he could feel ...

'I've googled it, how to die, ' Jenny says to Maureen. 'It was full of climbing this mountain, swimming that sea, becoming a marathon runner and raising millions for charity.' 'Sounds like bloody hard work. You can make it more fun than that surely?' Jenny discovers her days are numbered at the same time she discovers her husband is having an affair... Frankly, her life was tough enough already. Two tricky

teenagers, her mother's constant complaints, friends who aren't up to the job and a career which has been spiralling downwards since she won 'Sunseeker Tour Rep of the Season' twenty years ago. And now this: a cheating husband and a death sentence. Enough is enough. Jenny vows to keep both catastrophes a secret. She takes her life - and death - into her own hands and decides to live as she did when she was happiest... in 1996. She plans a spectacular 1990s themed party in place of a wake that she herself will attend. But will she be able to keep her secrets for long enough to have the party of a lifetime? From No. 1 bestseller Tracy Bloom, *The Last Laugh* is both hilarious and heartbreaking, a book about how to find happiness and live your life as though every day is your last. Perfect for fans of Marian Keyes and *The Kicking the Bucket List*. What readers are saying about *The Last Laugh*: 'Oh this was such a brilliant read. I was engrossed and laughed out loud and welled up. It was great!' Goodreads reviewer, 5 stars 'A stunning book that was both funny and incredibly heartbreakingly sad. This book was just a wonderful celebration of the character's life, strength and courage. Fabulous.' Goodreads reviewer, 5 stars 'Absolutely loved this book! What should be a really sad story is written so well and with such zest and optimism that it's impossible not to be smiling. A beautifully-told tale.' Goodreads reviewer, 5 stars 'Thought-provoking, warm, and extremely funny. You will love Jenny! She is all of us! A hard-working, sweats wearing, wine-loving mother (complete with "mom body"), who possesses a great sense of humour about everything...even death.' Reels and Reads 'I laughed and cried in equal measure at this book... highly recommended.' Goodreads reviewer, 5 stars 'I have loved every Tracy Bloom book I've picked up and this one was no exception! I laughed and cried... Reading it has given me a new perspective! You really don't know the minute your world could change forever. I read it in one day!' *The Introverted Mum* 'A wonderful blend of humour and at times tears, as Jenny struggles to "live" each moment and to move as if she was "on top of the world" in 1996... Jenny has courage along with humour and as she says: "Time to start living." Great story!' Goodreads reviewer 'This book is heartbreaking at times but hilarious in others... fantastic.' Goodreads reviewer, 5 stars 'If Tracy Bloom's other books are like *The Last Laugh* she definitely has a new fan. I felt instantly connected to the main character, Jenny, like I was part of her life... It inspired me to make the most of the life I have.' *After the Rain*

Having to tame two beautiful but spirited colts in order to secure her position as stable manager, Miss Molly Moreton is distraught when her newly tamed horses upset the carriage of proud nobleman Lord Everly. Original.

"Three women in their sixties go off to live in Greece for a year, only to have their children, grandchildren, and past lovers invade what was supposed to be a relaxing getaway"--

Gordon is a poor black man in America. While he doesn't exactly have a clean slate, he isn't bad enough to be chased down and arrested by the police-but it still happens. Two hours later, he dies in the police car, driven by two white officers, one of who has an immense hatred for black people. Gordon's death is ruled an accident. Police officer Anthony supports white supremacy. He believes black people should be slaves to the white man, so he feels no guilt when Gordon dies, even though he knows it wasn't an accident. Gordon was murdered. His death is questioned all over the United States, but there is no justice since the police department suppresses the truth. Instead of receiving hate, Anthony is greeted with love and called a hero. It appears he has gotten away with his crime. He concealed the truth from society ... but will he be able to conceal the truth from his own conscience? Due to his actions, Anthony's soul is irrevocably bruised.

been called a “literary star” by The New York Times Book Review, comes a hilarious and brilliant new novel about the riotous, passion-filled adventures of three women who thought they were past their prime. To escape their griping grown children, husbands and lovers, and an abundance of grandchildren underfoot, three self-proclaimed “old bags,” Dania, Ruth, and Bess, head for a quiet island on the Aegean Sea. They’ll spend a year by the water—watching the sunset, eating grilled fish and fresh olives, sipping ouzo. They deserve it, they say. After all those years, the three women will finally have some peace. Except that they can’t. For one, Bess, a pampered, once-beautiful inheritress, falls swiftly into an affair with a poetry-writing taxi driver—who has, of course, a territorial wife. And Dania, a therapist, begins to receive an increasing number of cryptically menacing phone calls from a psychotic patient. An ex-lover of Ruth’s shows up unexpectedly, right before one of Bess’s does—and then the women’s children arrive, with their own demanding children in tow. As the island quickly becomes crowded, the women’s serene year in Greece devolves perilously, and uproariously, into something much more complicated. With the wit of Maria Semple’s *Today Will Be Different* and all the adventure of Deborah Moggach’s *The Best Exotic Marigold Hotel*, Lynn Freed’s *The Last Laugh* is at once wildly funny and deeply perceptive, an exuberant story of friendship and pleasure, family and love.

The first and only book to take readers fully into the bizarre universe of the stand-up comic, from its earliest origins in the antics of Milton Berle and Sid Caesar to today's hottest acts.

Demonstrates that Nietzsche's autobiographical and much-maligned *Ecce Homo* is a sophisticated satire by which the thinker unifies his disparate corpus.

From France, to Spain, to the northeast of England, hit men, gangsters, corrupt cops, drunks, punks, and petty thieves all tumble toward the abyss. The stories in *The Last Laugh* are vivid and violent slices of Brit Grit and international noir, full of gaudy characters and dialogue sharp enough to cut your throat. *The Last Laugh* is a violent and blackly comic look at life through a shot glass darkly. Praise for *THE LAST LAUGH*: “If you took Ken Bruen’s candor, the best of Elmore Leonard’s dialogues, sprinkled in some Irvine Welsh, and dragged it all through the dirtiest ditch in South London, the result will be something akin to Brazill’s writing.” —Gabino Iglesias, author of *Zero Saints and Gutmouth* “A broad range of cultural strands come together in the melting pot and form a delicious stew of criminal adventure... The observations are sharp and the characters create small nuclear explosions as they collide with each other.” —Nigel Bird, author of *Southsiders* “Brazill isn’t just a writer; he’s a poet and you can take any of his stories and write a master’s thesis on just the language employed.” —Les Edgerton, author of *The Genuine, Imitation, Plastic Kidnapping*
