The English law of Restitution is the law of gain-based recovery. Its precise scope and underlying principles remain a matter of significant academic and judicial controversy. [2] Broadly speaking, the law of restitution concerns actions in which one person claims an entitlement in respect of a gain acquired by another, rather than compensation for a loss .

for losses. The traditional approach to the subject assumes that restitutionary remedies are only available to reverse unjust enrichment.

~~Principles of the Law of
Restitution — Oxford
Scholarship~~

For the claimant to bring a restitutionary claim, the defendant must have been unjustly enriched at the expense of the claimant. A restitutionary remedy seeks to reverse that unjust enrichment, by restoring the relevant benefit or enrichment to the claimant. Claims in restitution are frequently contrasted with

File Type PDF The The Law Of Restitution In Scotland

The modern law of restitution is a common law doctrine derived from the law of quasi-contract, which aims to prevent or reverse unjust enrichment.

Restitution - The Laws of Australia offers a principles-based, practical guide to this complex and dynamic area of the law. As such, it is essential reading for practitioners and students alike.

The third edition of The Principles of the Law of Restitution brings this widely cited and influential volume fully up to date. It

File Type PDF The The Law Of Restitution In Scotland

has been substantially rewritten to reflect the significant changes in the law of restitution and the expansion in the theoretical and critical commentary on the subject. Following important decisions of the Supreme Court and other courts, large-scale changes have been made to the chapters on enrichment, at the expense of the claimant, mistake, claims against public authorities, and change of position. Additionally, this edition contains a new chapter on the operation of juridical bars on restitutionary claims. References to developments in other

File Type PDF The The Law Of Restitution In Scotland

Jurisdictions have been expanded for this edition, reflecting the significance of these changes and how they assist in the interpretation of English law and provide a basis for criticising that law. Further, in the light of leading cases and the contributions of restitutionary scholars around the world, the author's views on specific controversial debates about the ambit, function, and interpretation of the subject have changed, sometimes radically. One significant aspect of the book remains unchanged: the book continues to focus on

File Type PDF The The Law Of Restitution In Scotland

the identification and analysis of the principles which underpin the law of restitution as a whole, but with reference to its three distinct parts: unjust enrichment, restitution for wrongs, and the vindication of property rights. This approach provides the reader with a peerless guide to the law of restitution.

This highly-praised textbook provides detailed and incisive coverage of all aspects of restitution. The author's expert analysis and clarity of style will be invaluable to both students and practitioners with an interest in this area of

File Type PDF The The Law Of Restitution In Scotland

law. Supplement The Law Of

Restitution In Scotland

This new edition of a landmark study of the law of restitution has been substantially revised and updated. Concentrating on structural principles rather than detailed rules, the book is an invaluable guide to this difficult area of law.

Restitution is increasingly covered at undergraduate level in courses on contract, tort, common law and obligations. This book provides comprehensive coverage of the subject, including detailed examination of such areas as

actions and conflict of
laws.

Supplement Greens

This new textbook outlines
the general principles of
the rapidly developing
subject of the Law of
Restitution. Restitution is
concerned with the reversing
of unjust enrichment and was
recently recognized as a
discrete body of law by the
House of Lords although
restitutionary principles
have infact been evolving
for over 200 years. Rather
than taking the traditional
approach which assumes that
restitutionary remedies will
be awarded against a
defendant only where it can

File Type PDF The The Law Of Restitution In Scotland

be shown that the defendant has been unjustly enriched at the expense of the plaintiff. The book asserts that the law of restitution is simply concerned with the question of when restitutionary remedies may be awarded, that is remedies which are assessed by reference to a benefit obtained by the defendant. But in determining whether restitutionary remedies are available it is necessary to identify the causes of the action which triggers them. There are three such causes of action, namely the reversal of the defendant's unjust enrichment, the commission of a wrong by the

File Type PDF The The Law Of Restitution In Scotland

defendant, and the vindication of the defendant's property rights. The state of the law is examined through analyses of the statutory provisions and key cases demonstrating the way the law is used to resolve a wide variety of legal problems. The very different views of academics as to the nature and ambit of the subject are also identified. This book will be invaluable to students on restitution courses at every level.

This 2004 book provides
a comprehensive account of

File Type PDF The The Law Of Restitution In Scotland

the American law of
restitution.

Restitution is the body of
law concerned with taking
away gains that someone has
wrongfully obtained.

Restitution isn't concerned
with rectifying an injury;
it's not about losses that
one person inflicts on
another (those are torts).
In some ways restitution is
the symmetrical complement
to tort law; but despite
tort's high profile, its
centrality to the popular
understanding of what the
legal system does the
companion doctrine of
restitution is much
neglected in American

File Type PDF The The Law Of Restitution In Scotland

Scholarship. Ward Farnsworth suggests that this relative neglect is due to restitution's reputation as a hodge-podge of leftover doctrines that don't add up to a clear body of knowledge. He intends to provide a readable and compact book that explains the doctrine of restitution in one place, and show how its components relate to one another. Timing is particularly suitable in the wake of the 2011 publication of the American Law Institute's Restatement Third, Restitution and Unjust Enrichment. Farnsworth's book seeks, in effect, to restate the new

File Type PDF The The Law Of Restitution In Scotland

Restatement in as concise and lively a fashion as the subject matter will permit, thought with a somewhat different organization and a bit more attention to the theory behind the rules. The book starts with a brief essay on the relationship between restitution and other bodies of law, then proceeds to consider, in a chapter apiece, the four major families of liability in restitution (mistakes; conferrings; takings; and failed trades), the two kinds of remedies available at the end of a case (money and equitable), and finally defenses against claims of unjust enrichment."
