It's an intricate, cleanly told story of increasingly troubling events triggered by the unremembered girl of the title being found lurking around a family that takes her in, for better or worse. The characters seem to link together very precisely, both by family lines and life choices, with muddled lines between good and bad.

In the deep woods of East Texas, Henry supports his family by selling bootleg liquor. It's all he can do to keep his compassionate but ailing mother and his stepfather—a fanatical grassroots minister with a bruising rhetoric—from ruin. But they have no idea they've become the obsession of the girl in the woods. Abandoned and nearly feral, Eve has been watching them, seduced by the notion of family—something she's known only in the most brutal sense. Soon she can't resist the temptation to get close. Where Henry's mother sees a poor girl in need, his father sees only wickedness. When Henry forges an unexpected bond with Eve, he believes he might be able to save her. He doesn't know how wrong he is. Eve is about to take charge of her own destiny—and that of Henry's family. As both their worlds spin violently out of control, Henry must make an impossible choice: protect the broken young woman who's claimed a piece of his soul, or put everyone he loves at risk in order to do the right thing.

When Freedom Airlines flight 121 went down over the Pacific Ocean, no one ever expected to find survivors. Which is why the sixteen-year-old girl discovered floating among the wreckage—alive—is making headlines across the globe. Even more strange is that her body is miraculously unharmed and she has no memories of boarding the plane. She has no memories of her life before the crash. She has no memories period. No one knows how she survived. No one knows why she wasn't on the passenger manifest. And no one can explain why her DNA and fingerprints can't be found in a single database in the world. Crippled by a world she doesn't know, plagued by abilities she doesn't understand, and haunted by a looming threat she can't remember, Seraphina struggles to piece together her forgotten past and discover who she really is. But with every clue only comes more questions. And she's running out of time to answer them. Her only hope is a strangely alluring boy who claims to

know her from before the crash. Who claims they were in love. But can she really trust him? And will he be able to protect her from the people who have been making her forget? From popular young adult author Jessica Brody, *Unremembered* is the start of a compelling and suspenseful new sci-fi series, set in a world where science knows no boundaries, memories are manipulated, and true love can never be forgotten.

From Eliza Maxwell, the bestselling author of *The Unremembered Girl*, comes a gripping novel about the mysteries that haunt us and the twists of fate that can unravel them... Living in the shadow of a decades-old crime that stole his children from him, reclusive Lars Jorgensen is an unlikely savior. But when a stranger walks onto the ice of a frozen Minnesota lake, her intentions are brutally clear, and the old man isn't about to let her follow through. Jenna Shaw didn't ask for Lars's help, nor does she want it. After he pulls her from the brink, however, Jenna finds her desire to give up challenged by their unlikely friendship. In Jenna, Lars recognizes his last chance for redemption. And in her quest to solve the mysteries of Lars's past and bring him closure, Jenna may find the way out of her own darkness. But the truth that waits threatens to shatter it all. When secrets are surrendered and lies are laid bare, Jenna and Lars may find that accepting the past isn't their greatest challenge. Can they afford the heartbreaking price of forgiveness?

In the isolated estate she's found the perfect getaway. But there's no escaping the past in this chilling novel from the bestselling author of *The Unremembered Girl*. Filmmaker Tessa Shepherd helped free a man she believed was wrongly imprisoned for murder. When he kills again, Tessa's life is upended. She's reeling with guilt, her reputation destroyed. Worse, Tessa's mother has unexpectedly passed away, and her sister, Margot, turns on her after tensions from their past escalate. Hounded by a bullying press, Tessa needs an escape. That's when she learns of a strange inheritance bequeathed by her mother: a derelict and isolated estate known as Fallbrook. It seems like the perfect refuge. A crumbling monument to a gruesome history, the mansion has been abandoned by all but two elderly sisters retained as caretakers. They are also guardians of all its mysteries. As the house starts revealing its dark secrets, Tessa must face her fears and right the wrongs of her past to save herself and her relationship with Margot. But nothing and no one at Fallbrook are what they seem.

Every writer has a story. Some are deadlier than others. Aspiring author Graye Templeton will do anything to escape the horrific childhood crime that haunts her. After a life lived in shadows, she's accepted a new job as protégé to Laura West, influential book blogger and wife of an acclaimed novelist. Laura's connections could make Graye's publishing dreams a reality. But there's more to Laura than meets the eye. Behind the veneer of a charmed life, Laura's marriage is collapsing. Her once-lauded husband is descending into alcoholism and ruin and bringing Laura nearer to the edge. As the two women form a bond that seems meant to be, long-buried secrets claw their way into the present, and the line between friendship and obsession begins to blur, forcing each to decide where her loyalties lie. Running from the past is a dangerous game, and the loser could end up dead.

Some memories are better left forgotten After a daring escape from the Diotech scientists who created her, Seraphina and Zen believe they are finally safe from the horrors of her past. But new threats await them at every turn as Zen falls prey to a mysterious illness and Sera's extraordinary abilities make it more and more difficult to stay hidden. Meanwhile, Diotech has developed a dangerous new weapon designed to apprehend Sera. A weapon that even Sera will be powerless to stop. Her only hope of saving Zen's life and defeating the company that made her is a secret buried deep within her mind. A secret that Diotech will kill to protect. And

it won't stay forgotten for long. Packed with mystery, suspense, and romance, Unforgotten is the riveting second installment of Jessica Brody's Unremembered trilogy, and delivers more heart-pounding action as loyalties are tested, love becomes a weapon, and no one's memories are safe.

A chilling psychological suspense novel, *The Grave Tender* explores the dark boundaries people cross to save loved ones, and the limits of family bonds tested by the deepest of betrayals. Endless questions from a shadow-filled East Texas childhood haunt Hadley Dixon. People said her mother, Winnie, was never quite right, but with one single, irreparable act, life as Hadley knew it was shattered. The aftershocks of that moonlit night left her reeling, but the secrets and lies had started long before. When a widowed and pregnant Hadley returns years later, it's not the safe harbor she expects. The mysteries surrounding a local boy's disappearance remain, and the townspeople still whisper about Hadley's strange and reclusive Uncle Eli--whispers about a monster in their midst. But Hadley's father and grandmother, the cornerstones of everything safe in her world, avoid her questions. If Hadley stays here, will she be giving her children the family they need, or putting their lives in danger? The hunt for answers takes a determined Hadley deep into the pine forests, in search of sunlight that will break through the canopy of lies long enough to reveal the truth. Revised edition: This edition of *The Grave Tender* includes editorial revisions.

Along the banks of the Neches river, surrounded by the dense piney woods of east Texas, where the humidity makes even the mosquitos go a little soft in the head, there's a pack of liars, thieves, and fools that Mimosa Mabry reluctantly calls family. After a lifetime spent trying to put the place behind her, the kinfolk have come calling, and they want her home. Against her better judgement, Mo returns, but finds the answers she's searching for--the truth about a child named Lucy--are farther from her grasp than ever. Because in deep east Texas, at the mercy of your kin, truth is relative--as enigmatic as a carnival shell game. And the game is rigged.

When two twelve-year-old girls--one a famous TV star, the other an obsessive fan--switch bodies the results are nothing but disastrous.

When Althea Leary abandons her nine-year-old son, Jasper, he's left on his uncle's farm with nothing but a change of clothes and a Bible. It's 1952, and Jasper isn't allowed to ask questions or make a fuss. He's lucky to even have a home and must keep his mouth shut and his ears open to stay in his uncle's good graces. No one knows where his mother went or whether she's coming back. Desperate to see her again, he must take matters into his own hands. From the farm, he embarks on a treacherous search that will take him to the squalid hideaways of Detroit and back again, through tawdry taverns, peep shows, and gambling houses. As he's drawn deeper into an adult world of corruption, scandal, and murder, Jasper uncovers the shocking past still chasing his mother--and now it's chasing him too.
