Reproducible Series - Theory Time

The Theory Time workbook series will enrich the musical studies of every student. The series will complement any music method a student is using if studying piano or another instrument, or it will serve as an independent music theory course and teach students the fundamentals of music in general (from beginning through advanced).

Theory Time Workbook Series (Primer

Level) by Hea | J.W ...
Fundamentals Primer

Description. The Theory Time Placement Tests coordinate with the Workbook Series, and are an effective diagnostic tool to evaluate a new student or a transfer student on their current knowledge of music theory and aural skills. This reproducible packet includes eight levels of Placement Tests, eight levels of Ear Training Tests, a Teacher Evaluation Chart for written and aural tests, and a Teacher Ear Training Guide for each level.

Music Theory Placement Tests - Theory Time

I love these Theory Time workbooks for my kids. Learning music theory is just as important as learning to play the instrument. Things that seem like common sense to adults aren't always common sense to kids. The Theory Time books break music theory down into digestible pieces for kids to
