Transitions In The Early Years

Transitions are an inevitable part in every child's journey. Many papers, articles and books have been written on the subject, some of which we share here. Start from the child. Early Education supports a child-centred approach which meets the needs of every child.

Transitions | Early Education

Transition: The Journey. Children's lives today are so much more hectic than ever before. Going to a setting for the first time, moving to another one, starting school or moving into a new class are seen by many people as a normal part of the lives of children. Yet transitions are milestone events for children and have a definite effect on their development.
