I purchased a new Symmetry Wheelchair Lift about 10 months ago. It replaced my old lift that was a porch lift. I had nothing but problems with my porch lift for the last 10 years. I was constantly having to have it worked on. Since I have had my new lift I have had only one call and that was for service, not repair. The technician was very thorough in explaining how the lift works and how ...

This new edition of a one-of-a-kind handbook provides an essential updating to keep the book current with technology and practice. New coverage of topics such as machine-room-less systems and current operation and control procedures, ensures that this revision maintains its standing as the premier general reference on vertical transportation. A team of new contributors has been assembled to shepherd the book into this new edition and provide the expertise to keep it up to date in future editions. A new copublishing partnership with Elevator World Magazine ensures that the quality of the revision is kept at the highest level, enabled by Elevator World's Editor, Bob Caporale, joining George Strakosch as co-editor.

Shows how to create a home environment that helps cope with the difficulties associated with AD and related dementia. The author deals with both interior and exterior spaces, discussing problems and solutions associated with specific areas such as the kitchen, bathroom, corridors, patios and decks. Separate chapters focus on issues related to AD such as wandering, incontinence and access limitation.
